Brunton Residential are pleased to present this beautifully renovated ground floor apartment, ideally located in the heart of Hexham. This one-bedroom home has been thoughtfully updated and is ready to move into, making it ideal for first-time buyers, downsizers, or those looking for a low-maintenance investment.

The property opens into a bright and airy open-plan living space, with large triple-glazed windows that fill the room with natural light. An inglenook-style fireplace adds character, while the newly fitted kitchen area is both practical and contemporary, featuring a range of base and wall units, solid wood worktops, an integrated oven with induction hob and extractor, and a stainless steel sink with modern fittings. The entire space is finished with quality laminate flooring and spot lighting.

From the living area, you step into a well-proportioned double bedroom with newly laid carpet and a rear door providing private access to a shared path behind the property. The bedroom benefits from a stylish en-suite shower room, recently installed and featuring a walk-in shower with tiled surround, vanity unit with basin, WC, heated towel rail, and spot lighting, all completed to a high standard.

A generous utility cupboard is located off the main living area, offering useful storage and plumbing for a washing machine, as well as housing the hot water tank.

The property is leasehold with approximately 961 years remaining, and the freehold is collectively owned by the three flats in the building—this flat holding a quarter share. The home also benefits from access to the rear pathway, convenient for bin storage.

Offered with no onward chain.
