The accommodation is accessed via a welcoming entrance hall, where a stunning door with arched windows invites an abundance of natural light into the space. The hallway is generously proportioned, featuring a staircase that leads to the first floor and a convenient storage cupboard tucked beneath the stairs. To the left, a spacious kitchen/diner awaits, complete with high-quality wooden cabinetry, both base and wall units offering ample storage. Integrated appliances include a double oven, gas hob with burners, fridge, extractor fan, dishwasher, and a sleek stainless steel sink with a mixer tap. The kitchen also boasts partially tiled splashbacks and provides ample space for a dining table and chairs.

At the rear of the property, you'll discover a beautifully spacious lounge with French doors that open onto the private rear garden. A striking feature fireplace with an elegant surround, decorative tiling, coving, and a picture rail add character to the room, creating an inviting atmosphere.

On the first floor, you'll find two generously sized double bedrooms, along with a smaller room currently being used as an office but easily adaptable as a child's room or nursery. This floor is served by a family bathroom, which includes a bath with an overhead shower, partially tiled walls, a ceramic WC, pedestal sink, and a heated towel rail.

The second floor offers two further excellent-sized double bedrooms, as well as an additional bathroom featuring a WC, shower, and pedestal sink. A skylight on the landing provides an abundance of natural light.

The basement is an excellent size and houses the boiler. Currently used as a utility room, it offers potential for additional living space or storage. It benefits from separate external access at the front, power and lighting, and plumbing for a washing machine.

Externally, the property sits on a generous plot, with a gravel driveway offering parking for up to three cars. To the front, you'll find a vegetable garden, a playhouse, a large garage with power and lighting, and well-established shrubbery. At the rear, the south-facing private garden features a patio area, a lawn, fenced boundaries, and additional shrubbery, as well as a handy storage shed.

Notably, all windows and doors have been recently replaced, marking a significant investment in the property.
