The property is accessed via a long driveway that leads to the side of the lawned front gardens and up to the detached double garage.

The internal accommodation comprises: Main entrance which is placed to the centre of the property and leads into an entrance hall with guest cloakroom and store cupboard. To the right-hand side of the hallway, a door leads into a generous lounge/diner which in turn gives access to the re-fitted kitchen/breakfast room with integrated storage and access to a separate lobby/store.

To the rear of the lounge/diner, doors then lead into a conservatory, which offers views out over the rear gardens. The main hallway then gives access to three double bedrooms, most with fitted storage, and a contemporary re-fitted shower room with separate WC.

Externally, the property enjoys lovely and mature gardens, with the rear garden being west facing and providing a great deal of privacy from the outside world, with well stocked borders and high hedging.

Priced to reflect some internal modernisation, this great, detached single storey home simply demands an early inspection and viewings are strongly advised.
