REFERRAL FEE DISCLOSURE

In compliance with the Consumer Protection from Unfair Trading Regulations 2008, Geoffrey Collings & Co must disclose to clients (both sellers & buyers) the receipt of fees we receive, including referral fees, within the Estate Agency sector.

As well as a vendor's obligation to pay our commission or fees we may also receive a commission, payment, fee, or other reward or other benefit (known as a Referral Fee) from ancillary service providers for recommending their services to our clients. These referral fees also apply to buyers.

Geoffrey Collings & Co refer business to both internal departments and external companies, a full disclosure is set out below;

REFERRAL SERVICE PROVIDERS:

Conveyancing

We recommend sellers and/or potential buyers use the services of different solicitors. We receive referral commission per legal completion when a client instructs our recommended solicitors to handle the conveyancing process on their behalf. This is included within the solicitors quote prior to instruction and is not added to the solicitor's fees. There is added value in this service which we will tell you about on request. The same conveyancing cost (or more) would be charged should a client go directly to our recommended solicitors.

Should you decide to use the services of Hawkins Ryan Solicitors you should know that we would expect to receive a referral fee of £120 including VAT per legal completion for recommending them to you.

Should you decide to use the services of SJP Solicitors you should know that we would expect to receive a referral fee of £120 including VAT per legal completion for recommending them to you.

Should you decide to use the services of Ward Gethin Archer Solicitors (Heacham) you should know that we would expect to receive a referral fee of £100 including VAT per legal completion for recommending them to you.

Financial Services

We recommend sellers and/or potential buyers use the service of PAB Mortgages. We would expect to receive a referral fee of 20% of their commission from the lender, based on the amount of the mortgage offer.

Surveys

We recommend sellers and/or potential buyers use the services of a few local surveyors, including our own survey department. We have a referral scheme in place with Watsons Surveyors and would expect to receive a referral fee at 10% of their quoted survey charge.

Energy Performance Certificates

We recommend sellers use the services of our energy performance certificate provider who will invoice us directly for his service. Geoffrey Collings and Co will invoice our seller for the full amount with an additional administration fee of £33 including VAT.

You are not under any obligation to use the services of any of the recommended providers, though should you accept our recommendation the provider is expected to pay us the corresponding Referral Fee. The Referral Fee is separate from your obligation to pay our own fees or commission.
