Character, Space & “That Feeling” — A Proper Forever Home

4 Bedrooms | Annex Outbuilding | No Onward Chain

Some homes just feel right the second you step in — this is one of them. Think exposed beams, cosy fireplaces, a Quartz kitchen built for big family gatherings, and a garden that’s made for late-night summer parties.

The entrance hall opens sightlines right through to the garden, and each reception has its own vibe — dining room with character charm, snug for winter nights, and an open-plan kitchen/lounge that floods with natural light.

Upstairs, four big bedrooms keep everyone happy. The principal suite comes with a dressing area and sleek en-suite, while the other rooms soak up countryside views and daylight.

Outside, the garden is private and generous, with a detached outbuilding that flexes as annex, office, studio or garage. Throw in a huge driveway, no onward chain, and a location on one of Dunmow’s most sought-after roads — and you’ve got something pretty special.
