LEXSTONE

Situated on the fourth (top) floor of an attractive red-brick mansion block on Greencroft Gardens, this generously proportioned one-bedroom apartment spans approximately 680 sq ft and enjoys excellent ceiling heights throughout. The layout is both practical and well-balanced, comprising a welcoming hallway, a bright and spacious reception room with rooftop views, a separate kitchen, a well-sized double bedroom, and a large bathroom. The flat would benefit from modernisation, providing an excellent opportunity for a new owner to create a home tailored to their taste and style. Ideally located in the heart of West Hampstead, residents benefit from superb transport links via the Jubilee Line, Overground and Thameslink, as well as a wide range of local cafés, restaurants, shops and green spaces.
