Together, we make your home

# Together, we make your home

When it comes to designing a new development, we apply the same philosophy every time – make it unique, make it personal. That's because we understand your new home is more than simply bricks and mortar. It's a private place of sanctuary where we hope you'll laugh, entertain and escape for many years to come.

Who we are

## A little bit about us

You're about to make one of the most exciting investments of your life! A beautiful place to call home for years to come. Here are some reasons to invest in a Persimmon home...

### Over 50 years of expertise

We've been building homes and communities since the early seventies, and just as fashions have moved on, so too has construction. Over half a century we've perfected processes, fine-tuned materials and honed skills to make us one of today's most modern and progressive home builders.

### Sustainability mission

We're committed to reducing our impact on the planet and building for a better tomorrow, with a dedicated in-house team focused on this. [Read more on page 26](#)

## Persimmon in numbers

It's not all about numbers we know, but to give you sense of scale here are a few:

**14,868**

homes  
sold in  
2022

**200+**

locations  
across  
the UK

**5000+**

employees  
make it all  
happen

**700+**

apprentices  
taken on  
each year

**£505.6m**

invested in  
local communities  
in 2022

### Real Living Wage

We're proud to be accredited to the Real Living Wage. We value our employees and want to pay them fairly for the good work they do.

**Like to know more? Just scan the QR code below.**

### Happy hour

We run Customer Construction Clinics from our on-site sales offices each Monday from 5-6pm. Pop in to see the team both during and after you've moved in to your new home.

## "Building sustainable homes and community hubs"

### Save money on your energy bills

The increased thermal retention from our insulation and double glazing, along with reduced water use thanks to efficient appliances, mean you'll automatically save money on your energy and water bills – and with the rising cost of living, this can make a real difference.

Take a look at the recently published HBF Watt a Save report to find out how much you could save.

### Giving back

We do everything we can to give back to our communities and proudly contribute towards community hubs, children's play areas, schools and sports facilities.

Our 'Community Champions' and 'Building Futures' programmes help to raise funds for projects and charities across Great Britain. If you'd like to get involved visit [persimmonhomes.com/community-champions](https://persimmonhomes.com/community-champions) to see if you could apply to support your local community.

### 10-year warranty

When you buy a Persimmon home it comes complete with a 'peace of mind' 10-year insurance-backed warranty and our own two-year Persimmon warranty.

### Help when you need it

You'll have a dedicated customer care helpline, plus cover for emergencies like complete loss of electricity, gas, water or drainage.

### Finishing Touches

We know you'll want to make your home your own, so we created 'Finishing Touches', our home personalisation service.

Shieldhill • Falkirk

# Forth Valley View

Choosing a new home at Forth Valley View, just a couple of miles south of Falkirk, is an ideal option if you need to be within reach of Glasgow, Edinburgh and Stirling.

Our new homes in the village of Shieldhill couldn't be more centrally located for easy access to Scotland's two great cities and to the key towns in between. With a range of two, three, and four-bedroom new homes, Forth Valley View will suit first-time buyers, growing families, professionals, and downsizers.

## Designed with community in mind

Shieldhill is home to village amenities including a primary school, post office, takeaways, and convenience stores, all within walking distance of Forth Valley View. For more amenities and activities, Falkirk is literally up just up the road. It's home to the famous Falkirk Wheel and the equally famous Kelpies – the largest horse sculptures in the

world. Both of these attractions bring visitors to the town, ensuring that Falkirk is a thriving place to live as well.

For weekly shops there's a Tesco in Reddingmuirhead, just a mile away. Falkirk's Central Retail Park and choice of superstores add to your shopping list, while its choice of secondary schools, further education campus, and leisure facilities, provide the options for growing families.

## Easily within reach

The nearest train station is at Polmont, a short 9-minute drive away. It operates ScotRail services on the Glasgow to Edinburgh line via Falkirk, in addition to services on the Edinburgh to Stirling line. Commuters can join Junction 5 of the M9 just north of Polmont and the A883 from Falkirk takes you to Junction 1 of the M876 which becomes the M80.

Energy efficiency built in

# Sustainability

**Our homes are typically 30% more efficient than traditional UK housing, helping you to save money and reduce your impact on the environment.**

We're proud that we already build our homes to high levels of energy efficiency, but there's still a way to go. Our in-house sustainability team is dedicated to our mission to have net zero carbon homes in use by 2030, and for our own operations to be net zero carbon by 2040.

To achieve this, we're working to science-based carbon reduction targets in line with the Paris Agreement's 1.5°C warming pledge, investing in low-carbon solutions and technology that will further reduce the carbon footprints of our homes and our impact on the planet.

## Energy efficiency built in:

- ✓ **EPC rating – B**  
Our typical B rating makes our homes much more efficient than traditional D-rated homes.
- ✓ **Up to 400mm roof space insulation**  
Warmer in winter, cooler in summer, reducing energy bills.
- ✓ **Argon gas filled double glazing**  
Greater insulation and reduced heat loss.
- ✓ **Energy efficient lighting**  
We use energy-saving LED lightbulbs in all our homes.
- ✓ **A-rated appliances**  
Many of our kitchen appliances have a highly efficient A rating.
- ✓ **A-rated boilers**  
Our condenser boilers far outperform non-condensing ones.
- ✓ **Local links**  
We're located close to amenities and public transport to help reduce your travel footprint.
- ✓ **Ultra-fast broadband**  
FibreNest fibre-to-the-home connectivity helps you live and work at home more flexibly.
- ✓ **Lower-carbon bricks**  
Our concrete bricks typically use 28% less carbon in manufacture than clay, giving total lifetime carbon savings of 2.4 tonnes of CO<sub>2</sub> per house built.

## Eco goodies

6 reasons why it pays to buy new

## Did you know?

Most of the benefits of buying new are obvious, but some are not. Here's a quick summary of the key reasons why it's such a smart move:

1.

### No chain

Few things are more annoying in the home buying process than a time-consuming chain you can't control. Buying new limits the chance of getting involved in one.

2.

### Energy efficient

Our homes include cost-effective combi boilers, first-rate loft insulation and draught-free double glazed windows to meet stringent energy-efficient standards, keeping your energy bills as low as possible.

3.

### Brand new

Absolutely everything in your new home is brand new. You get all the latest designs and tech, complete with manufacturers' warranties. Win-win.

4.

### More ways to buy

We offer a range of schemes to help get you on the property ladder, including Home Change and Part Exchange.

5.

### 10 year warranty

All our new homes come with a ten-year, insurance-backed warranty, as well as our own two-year Persimmon warranty. In the unlikely event you ever need to claim, our Customer Care Team are there to help you.

6.

### Safe & secure

All our homes are built from fire-retardant materials and come with fitted smoke alarms and fire escape windows. They're also far more secure than older buildings thanks to the security locks and lighting we use.

[persimmonhomes.com](https://www.persimmonhomes.com)

**And did we mention you'll have  
more time for dancing?**

Buying new means you'll spend far less time on repairs and maintenance, after all, life's too short to spend every weekend doing DIY.

# Your modern home

Space4 is one of the UK's leading producers of precision-engineered construction systems, aiming to include their PEFC-certified sustainable timber frames in 50% of homes by 2025.

Many Persimmon homes already benefit from Space4's modern method of construction, with its technology offering improved insulation and air-tightness. For you, this means a reduction of 50% in heating costs compared to the average home in the UK\*, plus you'll own a cosier, more comfortable home.

On the outside, your Space4 home will feature the familiar design of a Persimmon home which uses traditional materials such as brick, stone or render. Underneath, the hi-tech timber frame backbone creates new levels of efficiency and building rigidity. Your property will be durable and finished to an excellent standard.

High-performance insulation, together with Space4 construction, an efficient boiler, and attention to air-tightness and ventilation during the construction process, means that our homes can use 59% less gas than the average home in the UK\*.

The use of Space4 technology creates a better place to live and work. Lower consumption of heating fuels and transport helps reduce CO2 emissions, while sustainable, recyclable materials create less impact on the wider environment. The overall carbon dioxide emissions for timber construction (the embodied carbon dioxide) are up to six times lower than for masonry.\*

Concerning the Government's code for sustainable homes, most building elements with timber specifications largely fall into the 'A+' or 'A' rated categories compared to masonry\*\*.

## 50% lower energy bills

According to recent research by the HBF, those who live in new build homes constructed to today's standards could save more than £3,100 a year on their energy bills compared to neighbours in older homes.\* This means families could save approximately £77,500 over the lifetime of a 25-year mortgage.
