Perfect for growing families or those seeking multigenerational flexibility, this beautifully upgraded home delivers spacious, modern living with a large garden and a detached studio ideal for remote working, hobbies, or guest use. Early viewing is highly recommended.

This inviting home has been thoughtfully extended and updated to provide generous and practical living space throughout. The modern kitchen is a standout feature, offering ample workspace, sleek cabinetry, and integrated appliances, with direct access to the rear garden making it perfect for family meals or entertaining. A separate utility area helps to keep the main kitchen space uncluttered and efficient. The main living room is bright and comfortable, with large windows allowing natural light to fill the space, while a second reception room offers flexibility for use as a playroom, snug, or formal dining area. The overall flow of the ground floor has been carefully considered, supporting both everyday family life and larger gatherings.

Upstairs, there are four well-proportioned bedrooms, each offering plenty of room for furniture and personal touches. The main bedroom includes a smart en suite shower room, while the remaining rooms share a stylish family bathroom finished to a high standard. Outside, the garden is a real highlight. Larger than expected, it provides ample space for children to play, space for pets, or simply for relaxing in the sunshine. At the end of the garden sits a detached studio, currently arranged as a home office but easily adaptable as a hobby room, gym, or guest space, supporting flexible modern living. The property also benefits from off-street parking for several cars and a covered storage area to the front, adding further convenience.

Located within walking distance of Weybridge mainline station, the property is ideally placed for families commuting into London or needing easy access to town. A range of local schools, both state and independent, are nearby and highly regarded, making the area popular with those prioritising education.
