JUNO WAY Industrial Estate

Unit 3A, Juno Way, London, SE14 5RW

Description

The property comprises a mid-terrace steel framed warehouse/industrial unit of brick and block construction with external profile steel cladding under a pitched roof. The unit benefits from a first floor office, WC facilities and full height shutter door access to the warehouse.

Location

Located within 2 miles of Tower Bridge, the property is well placed for businesses serving Central London, in an area where there is very little warehouse/light industrial space available. South Bermondsey mainline and Surrey Quays Overground stations are nearby, providing convenient access into Central London. Direct distances calculated by Google are as follows:

South Bermondsey	0.42 miles
Surrey Quays	0.63 miles
Tower Bridge	1.90 miles
Bank of England	2.75 miles

New Cross Gate (London Overground, Southern Rail), Bermondsey (London Underground) and South Bermondsey (London Overground, Southern Rail) stations are all within walking distance. Juno Way lies some 4 miles from the city of London and 5.5 miles from London's West End.

Accommodation

The accommodation comprises the following areas:
