A Stunning, Bespoke Conversion in the Heart of Lewes

Tucked away in a private, gated setting, this exquisite Grade II Listed former stable has been beautifully transformed into a unique and stylish home. Brimming with character, it perfectly blends historic charm with contemporary design, offering a rare opportunity to own a truly special property in central Lewes.

Upon entering, the attention to detail and historically sympathetic design are immediately apparent. The ground floor hosts two double bedrooms, each featuring impressive full-height glazing. The first bedroom enjoys French doors opening onto the courtyard, while the second boasts four large glazed panels with additional windows above. A contemporary tiled bathroom with shower completes this level.

Ascending the beautifully crafted L-shaped wooden staircase, you are welcomed into an open-plan living space. The double-height vaulted ceiling enhances the sense of space, while the exposed beams and wood-burning stove create a cosy yet dramatic setting. A glazed Juliet balcony and apex window flood the room with natural light, ensuring an airy, inviting atmosphere.

The kitchen is a seamless blend of style and practicality, featuring a ceramic butler sink, urban-style open shelving, sleek black granite worktops, and bold monochrome tiled flooring. Above, a mezzanine storage area adds valuable additional space.

With gated parking for one car and a spacious cellar offering exciting potential, this is a home unlike any other. Stylish, secluded, and superbly located—this hidden gem in the heart of Lewes is an opportunity not to be missed.
