

Ebbw Vale Innovation Centre.

Your business deserves a brilliant place to call home. With serviced offices and industrial units in a range of sizes, our premises are high quality and great value.

A great place to do business. And unwind.

Built on a rich history of heavy industry, Ebbw Vale is developing a new reputation for business.

And we're proud to say Ebbw Vale Innovation Centre is playing a key part in that regeneration, offering top-quality business premises right here in the heart of south Wales.

Free parking, fully equipped meeting rooms and a serviced reception are all things you might expect.

But the centre also has a gym and sauna complex for tenants – a unique feature that truly sets it apart.

Perfect for a lunchtime workout or to let off some steam after a busy day at the office.

**In short, it offers everything
your business needs.**

**Lets look at
the specifics.**

Designed for growth.

Built for small and medium-sized businesses, The Innovation Centre takes care of the details so you can concentrate on the things that matter.

A wide range of units available on easy in, easy out terms.

Modern facilities including a gym and sauna complex.

Make business easier with a serviced reception to welcome guests and handle post.

Be safe and secure with CCTV surveillance, alarm systems and security key-holders.

Great transport and road links as well as free parking.

Need to be open all hours? 24-hour access means you can work when you need to.

Great location. Great facilities.

Being well connected is vital for business. The Innovation Centre is located just a ten-minute drive from the A465, as well as being just a short walk from Ebbw Vale Parkway station. Newport is only a 40-minute drive and you'll be in Cardiff within an hour.

But the real plus of this area, is its location on the edge of the outstanding Brecon Beacons National Park.
