DESCRIPTION
This beautifully presented detached home occupies a generous corner plot and has been meticulously maintained throughout. Recently redecorated with new carpets, the property also boasts a refitted bathroom and shower rooms, together with a high-specification kitchen.

The impressive entrance hall, finished with oak flooring, provides access to the cloakroom/WC, storage, and the staircase to the first floor. The oak flooring continues into the full-depth lounge, a light-filled room with dual aspect windows and a striking inglenook fireplace housing a gas 'wood-burner effect' stove. To the rear, French doors open into a spacious P-shaped conservatory, offering an inviting space to enjoy the garden year-round. Across the hallway, the dining room also features oak flooring and a front-facing window, easily accommodating a large family dining table.

The modern breakfast kitchen, accessible from both the hallway and conservatory, is fitted with a comprehensive range of traditional-style base and wall units, complemented by durable granite work surfaces and a tiled floor. A well-appointed utility room sits to the side, with a courtesy door leading to the rear garden.

On the first floor, the master bedroom enjoys a front aspect, fitted wardrobes, and a stylish en-suite bathroom. Three further double bedrooms—two with fitted wardrobes—share the refitted shower room, complete with a generous walk-in shower, wash basin, and WC.

The second floor offers two additional bedrooms: a spacious double with fitted wardrobes and eaves storage, and a large single currently used as an office, also with eaves storage. Both are served by a further shower room.

Outside, the property is equally impressive. To the front and side, landscaped borders with established trees, shrubs, and perennials complement the lawned areas. A double-width driveway provides parking for up to four vehicles and leads to a detached double garage with electric doors, power, and lighting. Additional parking is available on the driveway alongside the property.

The fully enclosed rear garden has a large lawn, mature planting, and multiple patio/seating areas positioned to catch the sun throughout the day. Offering colour, privacy, and charm, it is the perfect outdoor space for relaxation and entertaining.
