"A unique, light filled, top floor apartment with stunning sea views and a great central location."

PROPERTY DESCRIPTION

Flat 7, Hyndford House is an excellent opportunity to purchase a unique, light-filled, top-floor apartment forming part of this B-listed, nineteenth-century villa with open views over the North Berwick coastline. The property now requires a good level of modernisation and refurbishment but provides the potential to create a beautiful property.

Accessed via its own private door on the ground floor, the staircase within the turret climbs to the top floor entrance.

On entering the apartment there is a large welcoming hall. The reception rooms are to the west facing side of the property and include a wonderfully bright and spacious dual aspect living/dining room that provides generous space for both dining and relaxing. The kitchen/breakfast room offers a good range of cream shaker style wall and base units and integrated appliances. There is room for a separate breakfast table affording views over the communal gardens below. A serving hatch connects the kitchen to the living/dining room.

The three bedrooms are located on the opposite wing, with the master bedroom offering a bright south facing aspect and bedroom 2 boasting superb coastal views. A shower room and separate WC complete the accommodation.

The property benefits from well-kept, landscaped communal gardens with extensive lawns with mature flower beds and trees. The gardens are a wonderful environment to enjoy the property and its excellent position, and offer easy access to the Marine Hotel, golf course and beach.
