PROPERTY DESCRIPTION

Nestled within immaculate, walled gardens, this detached stone-built property just minutes from Haddington High Street offers bright, well presented, and spacious accommodation. Approached via a gated pathway bordering a gravel driveway and double garage, the front door opens into a bright entrance vestibule and then into a carpeted hallway. From here you pass through the dining room, to come to a most impressive sitting room leading into an adjoining conservatory.

Flooded with natural light and enjoying a triple aspect, it is adorned with plush carpeting, neutral wall finishes, and a stunning ornate oak mantelpiece with a brass insert, framing an open fireplace. Boasting generous proportions, it nonetheless retains a warm and welcoming ambience and is sure to be at the heart of family life. Elegant French doors lead to the modern conservatory which in turn opens to the stunning garden, achieving a seamless connection between indoor and outdoor living. Featuring wooden flooring and a panoramic garden view, the west facing conservatory is a superb extension of the living space all year round. Conveniently adjoining the sitting room, lies a versatile dining room that could also make an attractive snug or family room given its appealing décor and feature fireplace. Directly opposite this lies the generous breakfasting kitchen. Now in need of modernisation,

white farmhouse-style wall and floor units are complimented by oak-effect worktops and freestanding appliances. A modern shower room completes this floor. A carpeted staircase leads you up to the first of four double bedrooms. The east facing window gives light, while built in wardrobes with plenty of storage adorn the opposite wall. An additional shower room and WC can also be found on this level. You then arrive at two exceptionally spacious and bright double bedrooms that benefit from an east and west-facing aspect respectively. A carpeted staircase takes you to the first floor and an additional double bedroom which offers a tranquil retreat.

Externally, two outbuildings house a utility and store. The freestanding double garage, complete with workbench, offers ample space for two cars, as well as loft access for additional storage.

The beautifully presented and fully secluded west-facing garden combines manicured lawns with established borders, hedges, and trees, creating a peaceful and tranquil escape, perfect for children, pets, and entertaining.
