Ben Rose Estate Agents are delighted to bring to market this beautifully presented three-bedroom true fully detached bungalow with No Chain, ideally located in the highly desirable area of New Longton. Perfectly suited for small families or those seeking one level accommodation and offered with no onward chain. This delightful home is situated just a short drive from Preston City Centre, and enjoys convenient access to excellent local schools, a range of shops and amenities, and superb transport links via the M6 and M61 motorways, making travel to nearby towns and cities seamless.

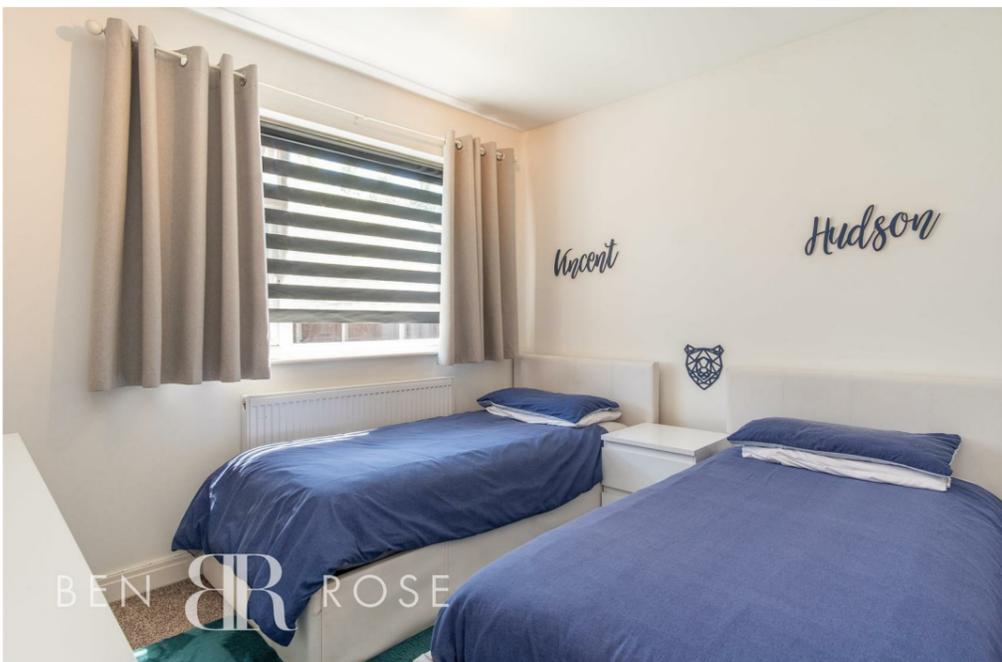

The home is entered at the side into a spacious entrance hall that provides access to most rooms. Positioned at the front is the impressive open-plan lounge, kitchen, and dining area—a bright and welcoming space that benefits from dual aspect windows, filling the room with natural light. The modern kitchen is equipped with ample worktop space and integrated appliances, including a fridge-freezer, oven, hob, and dishwasher. A central island offers seating for four, making it a perfect social hub. The room also provides direct external access to the side of the property and features air conditioning, ensuring comfort year-round. There is plenty of space for a large sofa suite as well as a family-sized dining table here.

Continuing through the home, there are three well-proportioned bedrooms. The master bedroom is notably spacious and features dual aspect windows, adding to its airy feel. The second bedroom is also a comfortable double, while the third, currently used as a single room, would make an ideal nursery or home office. Completing the interior is a sleek and contemporary family wet room, fitted with a walk-in shower for ease and style.

Outside, the property is surrounded by a charming wrap-around garden. The front and side areas are attractively stoned and bordered by mature plants, trees, and shrubs, all enclosed by a tall hedge for added privacy. A driveway provides parking for two vehicles and leads to the newly constructed, oversized single garage, which has pedestrian access to the rear garden. This versatile garage offers the option of secure parking, extra storage, or even use as a home gym. To the rear, the garden is designed for low maintenance, featuring artificial lawn and ample room for outdoor seating.
