A landmark coastal residence offering direct Solent frontage, private slipway, boathouse, and elegant family accommodation set within 0.6 acres, now available for the very first time.

For those seeking a truly exceptional coastal lifestyle, 98 Fishbourne Lane represents an exceedingly rare opportunity. This striking, detached home occupies a prime waterfront position in one of the most exclusive enclaves on the Isle of Wight, and comes complete with its own boathouse, private slipway, and panoramic Solent views.

Set within approximately 0.6 acres of beautifully maintained gardens, the property has never been offered for sale, a testament to both its desirability and the lifestyle it affords. Tucked away on a quiet private road, with no through traffic, this home enjoys an unmatched sense of peace, privacy, and connection to the water.

The most remarkable feature is its direct frontage onto the Solent, offering spellbinding views of passing yachts, ferries, and coastal wildlife. Whether you're sipping coffee from the roof terrace, relaxing in the conservatory, or enjoying a sunset from the front lawn, the changing light over the water is a constant companion.

The private slipway provides direct access to the sea, making it ideal for boat owners, paddle boarders, or those with a keen interest in coastal recreation. Adjacent sits a characterful boathouse, currently used for storage and marine equipment. This is a versatile structure that could lend itself to a range of uses subject to the usual permissions.
