

TORUS SILENCE
KARGICAK

A new project is coming to life in Antalya/Alanya/Kargicak, and every detail you have dreamed of is becoming a reality in this project. The project will be built on a 15,000 m² plot of land and has a construction area of approximately 10,000 m². This project, where you can feel comfort and relaxation in every square meter and find peace in nature and silence, consists of 39 duplex apartments and 15 villas ranging from 83 m² to 203 m² and 235 m² to 341 m² of usable area, respectively.

In addition, the apartments and villas come equipped with a smart home system, while various social amenities such as a basketball court, tennis court, outdoor pool, indoor pool, fitness center, Turkish bath, sauna, playground, and open and closed parking areas are available. Each villa has its own pool and a closed parking area that can accommodate two vehicles.

A LIFE

IN SILENCE

AND

NATURE

We offer meticulously designed living spaces that touch your life by thinking through every detail to provide you with emotions you have never experienced before.

Instead of square meters, we design living spaces with meticulous attention to detail in square centimeters.
