4 Bedroom House - Detached located in Market Deeping

Ex Show Home! This ultra modern 4 Bed House is a stunning property that exudes modern elegance and style. This nearly new detached house boasts a spacious living space which includes a large kitchen with granite worktops, a spacious dining area and an open plan snug. The lounge has double doors to the garden allowing for a free flow feel in the summer.

The bedrooms are all fantastic sizes with the master bedroom currently having a large super king size bed in there with ample space remaining showing just how big the room really is, not to mention the very spacious double fitted wardrobes and the en suite with upgraded tiles, heated towel rail and double waterfall shower. The second and third bedrooms are great size doubles with the third benefiting from its own built in wardrobe. The 4th bedroom is also a great size. There are no box rooms within this property meaning everyone gets a great amount of space.

This property boasts a HUGE amount of space at 1885 square foot. This is substantially larger than the average four bedroom property in the area.

As you step inside, you are greeted by a bright and airy atmosphere, with an open plan kitchen/diner/lounge area along with a separate lounge. With 4 bedrooms and 3 bathrooms, there is plenty of room for everyone to enjoy their own space.
