The Picture House is your opportunity to own a home at the centre of a welcoming community, just minutes from everything the capital has to offer. What are you waiting for?

AN ICON REBORN

1910

The Picture House name was inspired by the site's long history as a cinema, which first opened its doors as the Boleyn Electric Theatre in 1910 on account of the area's links to Henry VIII's ill-fated second wife.

The cinema captivated audiences with its early motion pictures and quickly became a cornerstone of the community.

1929

In 1929, the building underwent significant transformations under the guidance of renowned cinema architect Cecil Masey. Alterations included the installation of a new entrance canopy and modifications to accommodate films with sound, heralding its rebranding as the New Boleyn Cinema.

1932

By 1932, new ownership prompted another rebranding, this time to the New Boleyn Electric Theatre, a nostalgic nod to its roots. This it remained until 1936, when it was acquired by the Oscar Deutsch chain of Odeon Theatres.

1938

Plans were soon in motion to replace the beloved Boleyn Cinema with a modern Odeon Theatre, which opened its doors in 1938. This state-of-the-art venue delighted filmgoers for decades until 1999, when it was revitalised as the Boleyn Cinema, screening Bollywood films and celebrating the diverse culture of the local community.

2024

It now enters a new era as The Picture House and, while the address may no longer be a cinema, its commitment to creating community in E6 remains stronger than ever.

LET'S DO THIS TOGETHER

SHARED OWNERSHIP MEANS BUYING INTO YOUR OWN HOME CAN BECOME A REALITY. IT HAS ALREADY HELPED THOUSANDS OF PEOPLE JUST LIKE YOU, AND EVEN BETTER IT'S FLEXIBLE SO IT CAN WORK AROUND YOUR PERSONAL FINANCES.

What exactly is Shared Ownership?

Shared Ownership is a government approved scheme where you part-buy and part-rent your new home. It's designed to help people who would find it difficult to buy a home outright, and who are at least 18 years old. The cost of your new home is divided – shared – with you taking out a mortgage for one share, which can be between 25% and 75% depending on your circumstances. You pay rent on the remaining share.

In the know

You don't have to be a first-time buyer, a key worker, or live in a council home to apply. In London, to be eligible for a Shared Ownership home, your annual household income needs to be less than £90,000. The mortgage will be either a Fixed Rate one – where the interest rate stays the same for the duration of the mortgage which gives you some certainty, or will be a Variable rate, that can go up or down depending on the movement of interest rates. You will need a deposit of 5-10% of the total price.

Don't forget to budget for costs like mortgage application fees and Stamp Duty. Check for any maintenance charges for your home. Although you own a share you'll need to pay these charges on all of it.

FAQs

Where do I find a Shared Ownership mortgage?

Not all lenders offer Shared Ownership mortgages but most of the major ones do. Just as with any mortgage there will be strict affordability checks by the lender.

Will my credit history be important?

You must not be in rent or mortgage arrears to be eligible for Shared Ownership, and you need to be able to demonstrate you have a good credit history with no County Court Judgements (CCJs) for example.

What happens if I want to own a larger share of my home in the future?

That's perfectly fine, the Shared Ownership scheme is designed so that can happen. It's called 'staircasing' and you increase your share as and when your circumstances change.

SUPPORTING COMMUNITIES TO THRIVE SINCE 1926

Gateway Housing Association is an ambitious housing association with 3,000 homes in the heart of London's East End. We operate mostly in the London Borough of Tower Hamlets but we have some properties in Hackney and Newham. These are made up of social rented homes, shared ownership homes, private homes and sheltered housing.

Developing new homes is also a priority for us, and our exciting programme is on course to deliver 500 new homes by the end of 2021.

Our focus is on 'supporting communities to thrive'. That's why we invest so much in community projects for our resident groups and young people each year, making us so much more than a landlord.
