VIEWING:

Please feel free to view this land from the main road it is clearly visible.

DIRECTIONS

From Mansfield head to Woodhouse Road, which then becomes Leeming Lane South and Leeming Lane North. Turn right onto Peafield Lane and proceed through Edwinstowe. At the large roundabout, continue straight over onto Ollerton Road. There is a shallow bridge spanning the road and the land in question is on the right-hand side of the bridge. There is enough width to park here. Alternatively, park round the corner on Main Street.
