FINCA SAN MATEO

Welcome to your dream escape in San Mateo, Ibiza. A 500-year-old finca nestled amidst ancient terraces, offering unparalleled serenity and breathtaking vistas across the valley.

Originally constructed 500 years ago, this finca underwent a remarkable transformation twenty years ago by the esteemed architect Pascal Cheikh Djavadi. Seamlessly blending historic charm with contemporary design, the addition of a modern architectural wing enhances the property's allure, effortlessly bridging the gap between tradition and innovation.

This remarkable home presents a rare opportunity, having recently undergone a comprehensive renovation by an interior designer, ensuring every aspect exudes luxury and comfort. Meticulously crafted with premium materials, no detail has been overlooked, resulting in a residence that is both timeless and effortlessly chic.

The main house boasts two bedrooms with en-suite bathrooms, while additional guest accommodations, also featuring en-suite facilities, are seamlessly integrated into the exterior of the property.

Outside, a stunning 17-meter pool awaits, offering a perfect vantage point to soak in the panoramic views of the valley. Numerous secluded corners provide tranquil retreats, inviting you to unwind and embrace the island's laid-back lifestyle.

This exceptional property is not just a house; it's a sanctuary where past meets present, offering a unique opportunity to experience the best of Ibiza living. With its recent completion, this home is ready for you to move in and start living your dream immediately.
