Atkins Residential are proud to present this very large and spacious 5 bedroom student house. The house is located just a few minutes walk away from the QMC and University and includes everything you could possibly need for student life.

Lenton is a lively central area home to University of Nottingham sites, including the Jubilee Campus, with its cutting-edge, eco-friendly buildings and artificial lakes. Traditional pubs and late-night takeaways cater to the district's student population. With its curved, art deco facade, the Savoy Cinema dates to the 1930s, as does the Marcus Garvey Ballroom, a well-known concert venue.

The house is available from August 2024. The property is a 2 storey 5 bedroom traditional spacious detached house located on a residential road just a stones throw from local shops and the university.
