Atkins Residential are so excited to present this deceptively large 1 bedroom ground floor apartment which is offered fully furnished with everything you'd need ready to move in. The property is a very large period property which has been divided into separate flats. The whole of the ground floor is being offered for rent as an individual dwelling. There is a well kept garden included with this property. This really is a must view!

The house is located in a quiet residential street in the heart of Mapperley Park. It is very easily accessible via public transport and offers nearby shops and amenities, Nottingham City Centre is just a few miles away offering many large employers, shops and restaurants.

Nottingham is a bustling city with countless shops, restaurants and cafes for you to enjoy in your spare time. There are many large employers such as the Queens Medical Centre and Capital One just a short commute from the property making this the ideal home for the professional worker.
