Atkins Residential are very excited to offer this absolutely beautiful, brand new renovated 3 bedroom, semi detached house which is available now for the right person to move into. This property has just been renovated to a very high standard and will certainly not be around for long.

The house is located on a quiet cul de sac in Kirkby in Ashfield but just a few moments away from local shops, amenities and transport links. There is ample parking on the private driveway at the front of the property.

The property benefits from a modern boiler, gas central heating, up to date cavity wall and loft insulation, double glazing and many other modern energy efficiency measures.

To the rear the property there is a very large enclosed garden which is perfect for outside dining in the summer months.
