GROUND FLOOR

Featuring a kitchen by Stormer, Rako lighting systems and a Spirals Cellars wine cellar, the ground floor of Falacre makes for a most wonderful entertaining space.

Accessed through the entrance hall, with the feature staircase sitting proudly in the centre, there are three reception rooms and the impressively spacious kitchen/family room to the rear.

The garden is accessible from multiple sets of bifold and patio doors, with the utility and plant rooms also accessible from the kitchen space.

FIRST AND SECOND FLOORS

The first floor is home to four of the six bedrooms, with the principal offering a double aspect outlook with a balcony looking south. The principal also benefits from plentiful built in storage, and an en suite bathroom.

Three further bedrooms complete the first floor, one with a balcony and two sharing a interconnected bathroom.

The second floor is home to two further bedrooms, both offering en suite bathrooms.

GROUNDS

Falacre sits in the centre of a 0.52 acre, elevated plot, with a wonderful outlook over the countryside in front of the home.

The plot is accessed by electric gates and a driveway, leading to the detached double garage. There is parking space for multiple vehicles, a well presented frontage leading up to the front door, and wide side access allowing easy access for gardeners/contractors when required.

The plot is located toward the south side of the estate, on a cul-de-sac, giving you a tranquil location without regular passing traffic.
