THE GROVES

DISCOVER YOUR NEW DESIGNER HOME IN BISPHAM BY THE SEA

The Groves development is perfectly positioned to the west of the small coastal town of Bispham, close to the picturesque towns of Thornton-Cleveleys & Poulton-Le-Fylde, and the beautiful countryside of Lancashire.

The Groves offers a fantastic range of competitively priced 3 & 4 bedroom designer homes from our new 'Executive Collection', each cleverly presented, with open-plan layouts, ergonomic design and quality fixtures & fittings as standard.

All 'Executive Collection' homes offer a design, specification & layout which will surpass anything on offer by other house builders in the area. Choose from a range of beautiful house types, designed for couples, families and those who wish to retire to this lovely part of the country.

Each new home has been created with modern lifestyles in mind, including plenty of space, quality designer German kitchens and energy efficient appliances. Every single plot has its own generous, fully turfed and fenced private garden to call its own.

Bispham is a small seaside town with a long sandy beach and a vibrant town centre. It is ideally placed for shopping, work and leisure. A relatively quiet & peaceful place to live, the town has a strong sense of community and a choice of great schools and colleges for all ages.

Living at The Groves, you will be just three miles from the centre of Blackpool, with easy access to the beautiful Fylde coast and cities of Preston, Lancaster and beyond via a choice of public transport, and excellent roads & motorway links.
