An amazing 2 bedroom End Terraced - back to back property to let.

This location is ideal as it is nearby many restaurants and takeaways, all within a short distance of 0.3/0.4 miles away. There are also many Junior infant and Primary schools nearby, such as; Spring Grove Junior Infant Nursery School and Mount Pleasant Primary School.

This 2 bedroom property is the perfect family home with many local shops, food places and Kirkgate shopping centre which is an 8 minute drive away.

This property is partly furnished. The kitchen comes with a washing machine, cooker, oven and has fitted units in.

Our first bedroom is fairly spacious and has a double-glazed window, new dark grey fitted carpet and central heating which is perfect as it gives the room a cosy feel. Furthermore the second bedroom is very generous in size and has the same carpet in as the first bedroom. Withal, the generous amount of space in the second bedroom is very useful as you have plenty of room for fitted wardrobes and side draws which would be great use for storage.

The entire property has been newly refurbished.
