£800 Per month

To Let – 4 Bedroom Terraced House

This spacious four-bedroom terraced property is arranged over three floors and offers flexible accommodation, ideal for families or professional tenants.

The ground floor comprises a front-facing living room, with a second reception room to the rear providing additional living or dining space. To the back of the property is a fitted kitchen, with the added benefit of a convenient ground floor WC.

On the first floor, the property offers three well-proportioned bedrooms. The second floor features a large attic bedroom, providing an excellent
