HARRIS & BIRT

Sale by Informal Tender - all offers to be received by 12 NOON FRIDAY 13TH SEPTEMBER 2024.

A rare opportunity to purchase high quality pasture land in the picturesque Vale of Glamorgan. The land, formerly part of Franklyn Farm, is available as a single parcel of 38.41 acres or in three separate lots.

Location

The land is situated on the western edge of the rural village of Llandow in the Vale of Glamorgan. Llandow itself lies approximately 1.5 miles to the west of Cowbridge, a bustling market town known for its boutique shops and independent restaurants. Junction 35 of the M4 Motorway lies approximately 5 miles north of the Subject land. The immediate locality is notable for being peaceful and quiet in nature and therefore particularly suited to riding out.

Description

The parcel extends to approximately 38.41 acres and is available as a whole or in lots as follows:-

- Lot 1 (Blue) : 11.85 acres
- Lot 2 (Yellow) : 12.37 acres
- Lot 3 (Red) : 14.19 acres

The land is predominately level with some gentle undulations. It is of free draining nature and laid to long term pasture making it suitable for the grazing of horses and livestock, or for mowing.

Tenure

The land is held on a Freehold Absolute title and will be sold subject to the residue of a Farm Business Tenancy which expires 30th September 2024. We understand that the tenant would be interested in taking a new tenancy on all or part of the land if that was of interest to a purchaser.

Access

There is an access track (shaded purple on the attached plan). It is anticipated that the freehold of this access track will be sold with Lot 3 (Red), with Lots 1 and 2 being granted suitable rights of way together with shared maintenance responsibility.

Each lot will have a proportionate responsibility for maintenance of the tarmac surfaced estate road which is privately owned.

Wayleaves, Easements, Rights of Way

The land is traversed by a public footpaths (S1A/3/1 and S1A/2/1). The property is sold subject to and with the benefit of all wayleaves, easements and rights of way in existence.

Development Clawback

The land is sold subject to the residue of a Development Clawback in favour of Vale of Glamorgan Council dating from 1998.

Basic Payment Scheme/Habitat Schemes

The land is sold without the benefit of Basic Payment Scheme entitlements. It is not subject to any habitat schemes or similar.

Plan

The plan attached shows the land divided into three lots and separately coloured to aid identification. The plan attached herein is for identification purposes.

Boundaries

The boundaries are marked by mature hedgerows. In the event that the land is sold in separate lots, the legal boundary will be taken as being the centre-line of the hedge with purchasers responsible for erecting and maintaining stock proof fencing on their side of the hedge within 6 weeks of completion.

Services

There is no mains water supplied. A natural water supply runs along the eastern boundary servicing Lots 2 & 3 (Yellow and Red).
