The generous proportions of the room provide ample space for both living and dining furniture—perfect for family gatherings or entertaining friends.

The kitchen has been beautifully fitted with a range of gloss grey handle less wall and base units, complemented by composite worktops and wood flooring that flows throughout the ground floor. There is a range of integrated appliances including an oven, gas hob, washing machine, fridge and freezer, a door leads directly out to the patio area and rear garden, making this a practical and well-designed space for everyday living.

Upstairs, the landing offers loft access and leads to three well-proportioned bedrooms. The master bedroom is a generous double with a front-facing window, while the second bedroom is another spacious double overlooking the rear garden. Bedroom three, currently used as a home office, would make an ideal single bedroom or nursery. The shower room has been finished to a high standard with a double walk-in shower, pedestal wash hand basin, low level W/C, a heated towel rail and complimentary tiling to the walls and floor.

OUTSIDE

The front of the property features a garden which has been laid to decorative stone, a pathway and steps leading to the front door, along with gated side access to the rear.
