Hammet House Marden, Hereford, Herefordshire, HR1 3EW

Guice Price £545,000

Council Tax Band: D

An immaculately presented recently constructed 3 bedroom family house with gardens and additional meadow garden all adjoining open countryside and enjoying lovely rural views

SITUATION AND DESCRIPTION

Hammet House is located in the well equipped village of Marden situated to the north of the city of Hereford. The village has a shop and post office, cafe, primary school and community centre. Nearby are the villages of Moreton on Lugg and Bodenham which offer further amenities including take away food outlets, church, GP and schooling. There is easy road access to a number of local towns, Leominster being approximately 9 miles and Bromyard 13 miles, with the city of Hereford being approximately 7 miles away and offering mainline railway station, a variety of leisure and recreational, education and medical, supermarkets and independent shopping facilities.

The property itself forms part of a small select development of just four houses on the edge of the village and enjoys open outlooks over surrounding farmland. The gardens and meadowland adjoin farmland and there are lovely open outlooks over the surrounding farmland to the north and west.

Great attention to details has gone into the construction of Hammet House and the finish is top quality with a specification including high quality UK built kitchen with solid quartz worktops, quality built in appliances, a Rangemaster range cooker in a lovely feature bespoke mantle forming a focal point to the kitchen, high quality sanitary ware with rainfall Mira mixer shower and luxurious slipper style bath, bi-fold doors leading onto the sun terrace from which sunsets can be enjoyed on a summers evening. The bespoke handcrafted staircase with traditional style central carpet and stair rods, solid oak beams throughout along with curved walls, monkey tail window furniture and the lovely wood burning stove in the sitting room combine to give the luxury and convenience of a modern home with a cosy cottage feel.

In addition, this property benefits from many upgrades to the standard specification to include laminate flooring throughout the first floor, a converted garage to provide a useful utility room, Quooker tap in the kitchen and remote controlled blinds to the landing, sitting room and breakfast area.
