## with Retirement Living Plus

Campbell House is ideal if you want to continue living independently in your own home, but with the peace of mind of knowing that you can benefit from a tailor-made care and support package if required<sup>^</sup>.

When family and friends come to stay, you'll have all the fun of entertaining without having to cook a thing, or wash the pots afterwards – thanks to our chef-run, subsidised, bistro restaurant<sup>^</sup>.

There's also a hotel-style Guest Suite<sup>^</sup>. Family and friends are welcome to stay over - without you having the hassle of making up the spare bed.

You will also benefit from some light cleaning support each week within your home, which is included in the service charge.

We can also offer additional lifestyle options such as extra cleaning, changing linen, grocery shopping, running errands or time for companionship<sup>^</sup>.

# Help and support

from our own, dedicated team

In addition to taking care of the day-to-day running of the development, we're passionate about providing additional support to you. We're here to assist with your everyday needs; happy to help make your life that little bit easier without ever intruding on your privacy.

The personal care packages and lifestyle services provided are flexible and tailored to your specific needs. We will work with you to decide what level of care and support is right for you. And you can adjust your package, so you only ever pay for what you use.

This could prove a more flexible and affordable option than a traditional care home setting.

It's comforting to know that all our support and personal care services are regulated by the Care Quality Commission in England.

Copies of the latest CQC reports are available online. We thoroughly screen our staff, and invest in their training to ensure they have all the skills they need to provide you with a fantastic service.

## Our support packages

Your new home will offer a range of flexible services, so you can have as little or as much support as you need.

### Domestic assistance

You can enjoy one hour per week of light domestic assistance, as part of your service charge.

### Staff on-site 24/7

There's the added reassurance of help at hand with a CQC regulated manager and a team available 24/7.

### Personal support<sup>^</sup>

You choose what support you need. Whether it's help with going to bed and getting up in the morning, preparing breakfast, getting to and from appointments or regular assistance during a period of convalescence.

### Lifestyle support<sup>^</sup>

However you like to spend your time away from your apartment, our friendly team can provide companionship and support, helping you to get out and about.

The team can also help with tasks such as household cleaning and changing the beds, as well as run errands such as shopping for groceries and posting letters.

### Laundry service<sup>^</sup>

If you would rather not do the laundry yourself, the team can take care of it all for you. They'll collect your laundry and return it washed and ironed.

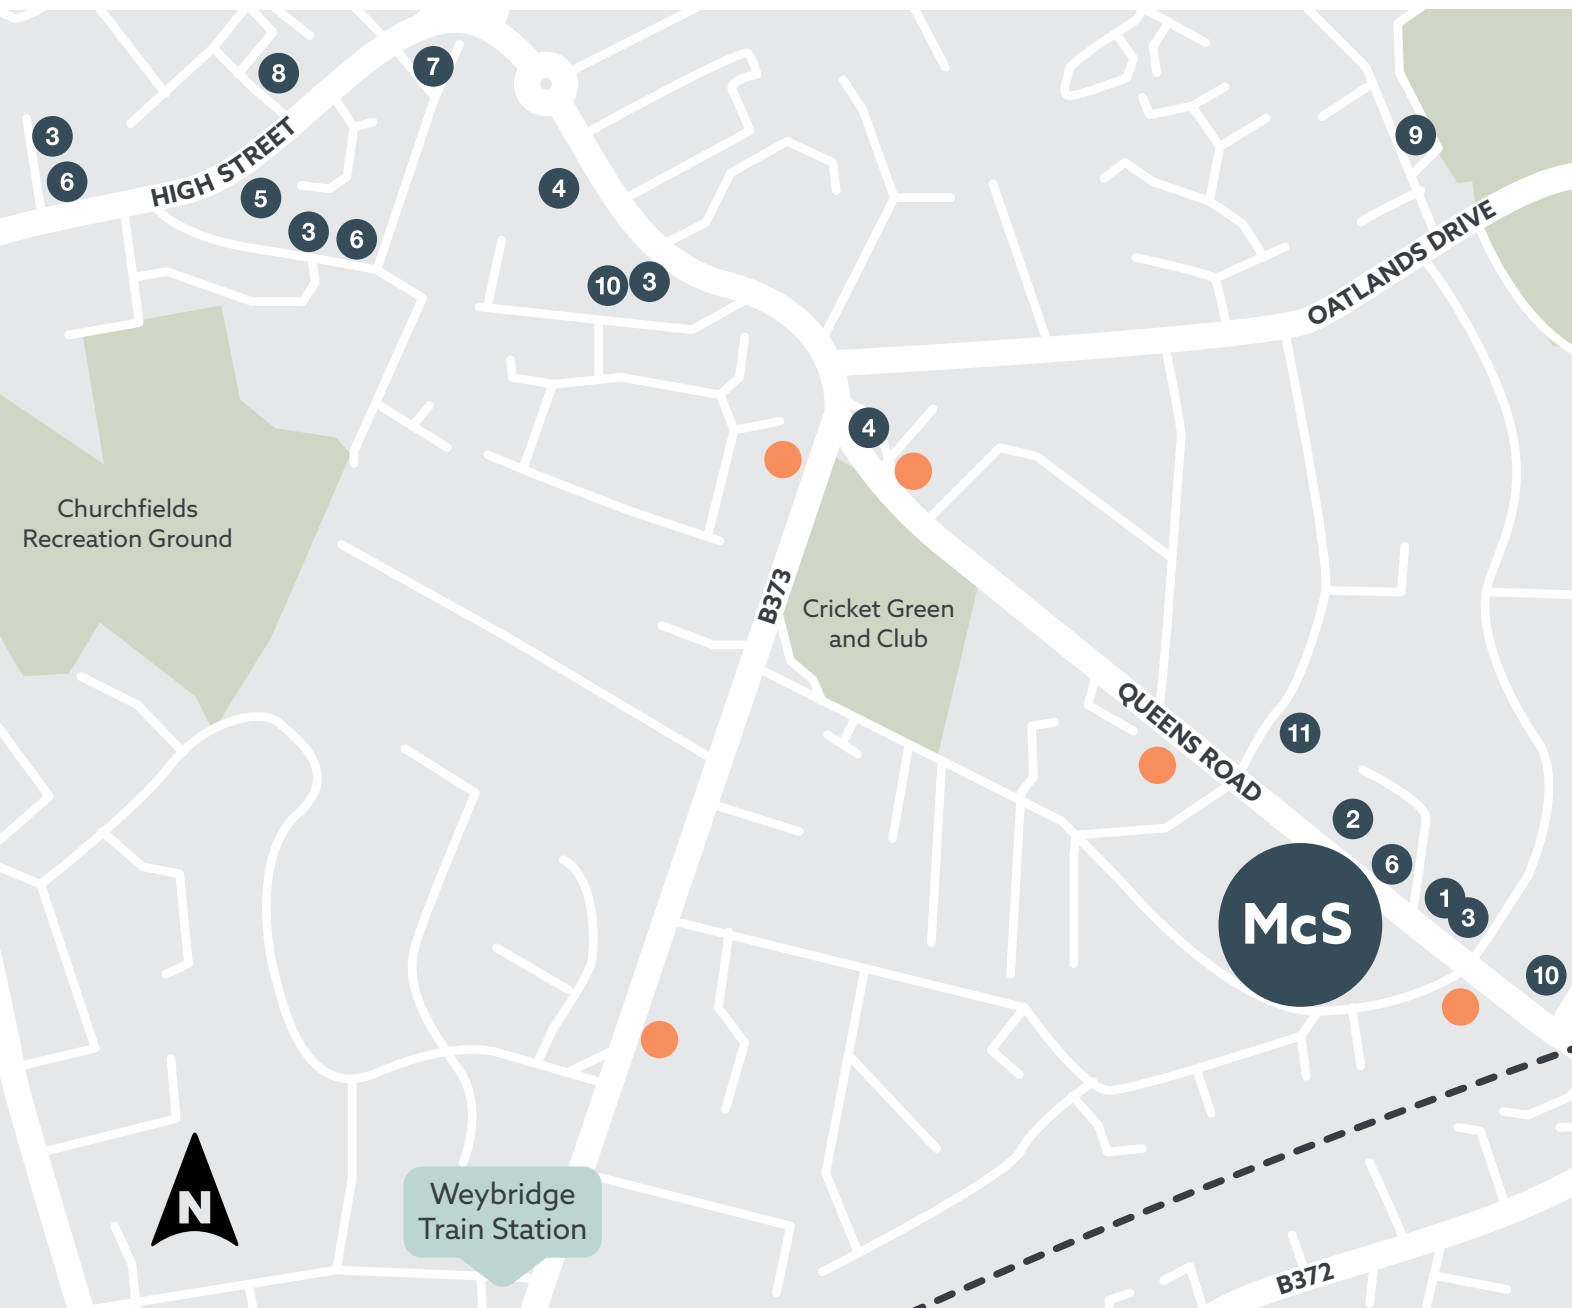

<sup>^</sup>Extra charges apply.

## Live life your way

The town has a museum which includes artefacts from Henry VIII's Oatlands Palace which once stood nearby. There's plenty to tempt your tastebuds too. Alongside traditional pubs there's an excellent array of restaurants, cafés and coffee shops.

Three large parks are all within one mile of the development. Churchfield Recreation Ground has tennis courts, a bowling green and open space for picnics. If you enjoy

Brooklands Museum, two miles away, is home to the world's first purpose-built motor racing circuit and one of Britain's first airfields. Playing a key role in developing the iconic Concorde, one is on permanent display.

## You'll be well looked after in Weybridge

Designed with the over 70s in mind, Campbell House is built to high standards and is an ideal place to live life your way.

# Designed

with you in mind

What first strikes you about Campbell House is its bold, stylish design. It's the epitome of modern living. This eye for style continues as you walk through the entrance into the foyer. Such simple elegance immediately makes you feel welcome whether you're a resident, friend or family member. Take a few steps further and you'll enter the light and airy communal lounge.

Designed to be the social hub of Campbell House, it's where the community of friends and neighbours can socialise together. It's ideal for a quick catch up, leisurely chat or enjoying pastimes. If you prefer to relax over a newspaper or spend time with a good book, there are quiet areas too.

The lounge is home to a fully licenced bistro restaurant^ offering drinks, light snacks and a seasonally inspired lunch menu every day.

Step through the exterior door in the lounge and you'll discover the landscaped garden at the rear of the development. From the seated patio area, you'll notice the contemporary edge of Campbell House extends to this wonderfully tranquil, outside space. The planting of the immaculately prepared beds and borders are truly modern in style.

It's a beautiful place to socialise and soak up the sun. The garden is not only a pleasure to look at, but it's also effortless to enjoy. We look after all the outside spaces for you. However, if you're the green fingered sort, a potting shed is available so you can prepare and care for your own flora and fauna.

# The service charge explained

To keep our developments running smoothly and to provide the facilities and support, a service charge is payable when you purchase an apartment. If you have not paid a service charge before you may have questions about how this works.

When you consider the services available at Campbell House and then compare these with the facilities and running costs of your current property, we believe you will find it represents good value for money. The service charge is calculated annually and paid in monthly instalments.

It's important to note that we do not make a penny from the service charge. The costs incurred to run our developments and support our customers are all re-charged with no mark-up or other fees added by us. This includes our management fee, which covers our back-office support teams. Any future change to this position will be clearly communicated.

## Services covered include providing and maintaining:

- Access to on-site staff (hours may vary)
- The 24-hour emergency-call and intruder-alarm system
- The door-entry camera, linked to your TV
- Grounds maintenance and general gardening work
- Building repairs and general maintenance costs

- Buildings insurance
- Window cleaning (outside only)
- Water and sewerage costs
- Heating, lighting and cleaning of all shared areas
- Management Fee

At Campbell House, the service charge also covers the bistro's running costs, the 24/7 team and an hour of light domestic assistance per week.

More information on this can be found in the service charge section on Campbell House's web page.

## Contingency Fund

Where larger repairs and asset replacement (such as lifts or the roof) are needed, alongside regular renovations; these costs are covered by a Contingency Fund – this is created through a fee that's included in the service charge.

As well as the regular payments as part of the service charge, the contingency fund is further 'topped-up' through contributions paid when the apartment is either sold to a new owner or let out to a new tenant. The percentage payable is set out in your lease.

We keep this cost at an appropriate level to maintain the development for benefit of everyone.

**When you're ready to find out more, we will happily explain these charges in more detail.**
