Live life your way

with Retirement Living

Our Retirement Living properties offer the perfect blend for many, from the independence of your own beautiful property in a sought-after location, to socialising with neighbours as much or as little as you wish.

It's easy to host family and friends too, as you can book them into the Guest Suite[^], which has en-suite facilities.

Taking care of you and your home

As part of the Services team, the House Manager, on-site during the week*, is the friendly face who takes care of the day-to-day running of the development.

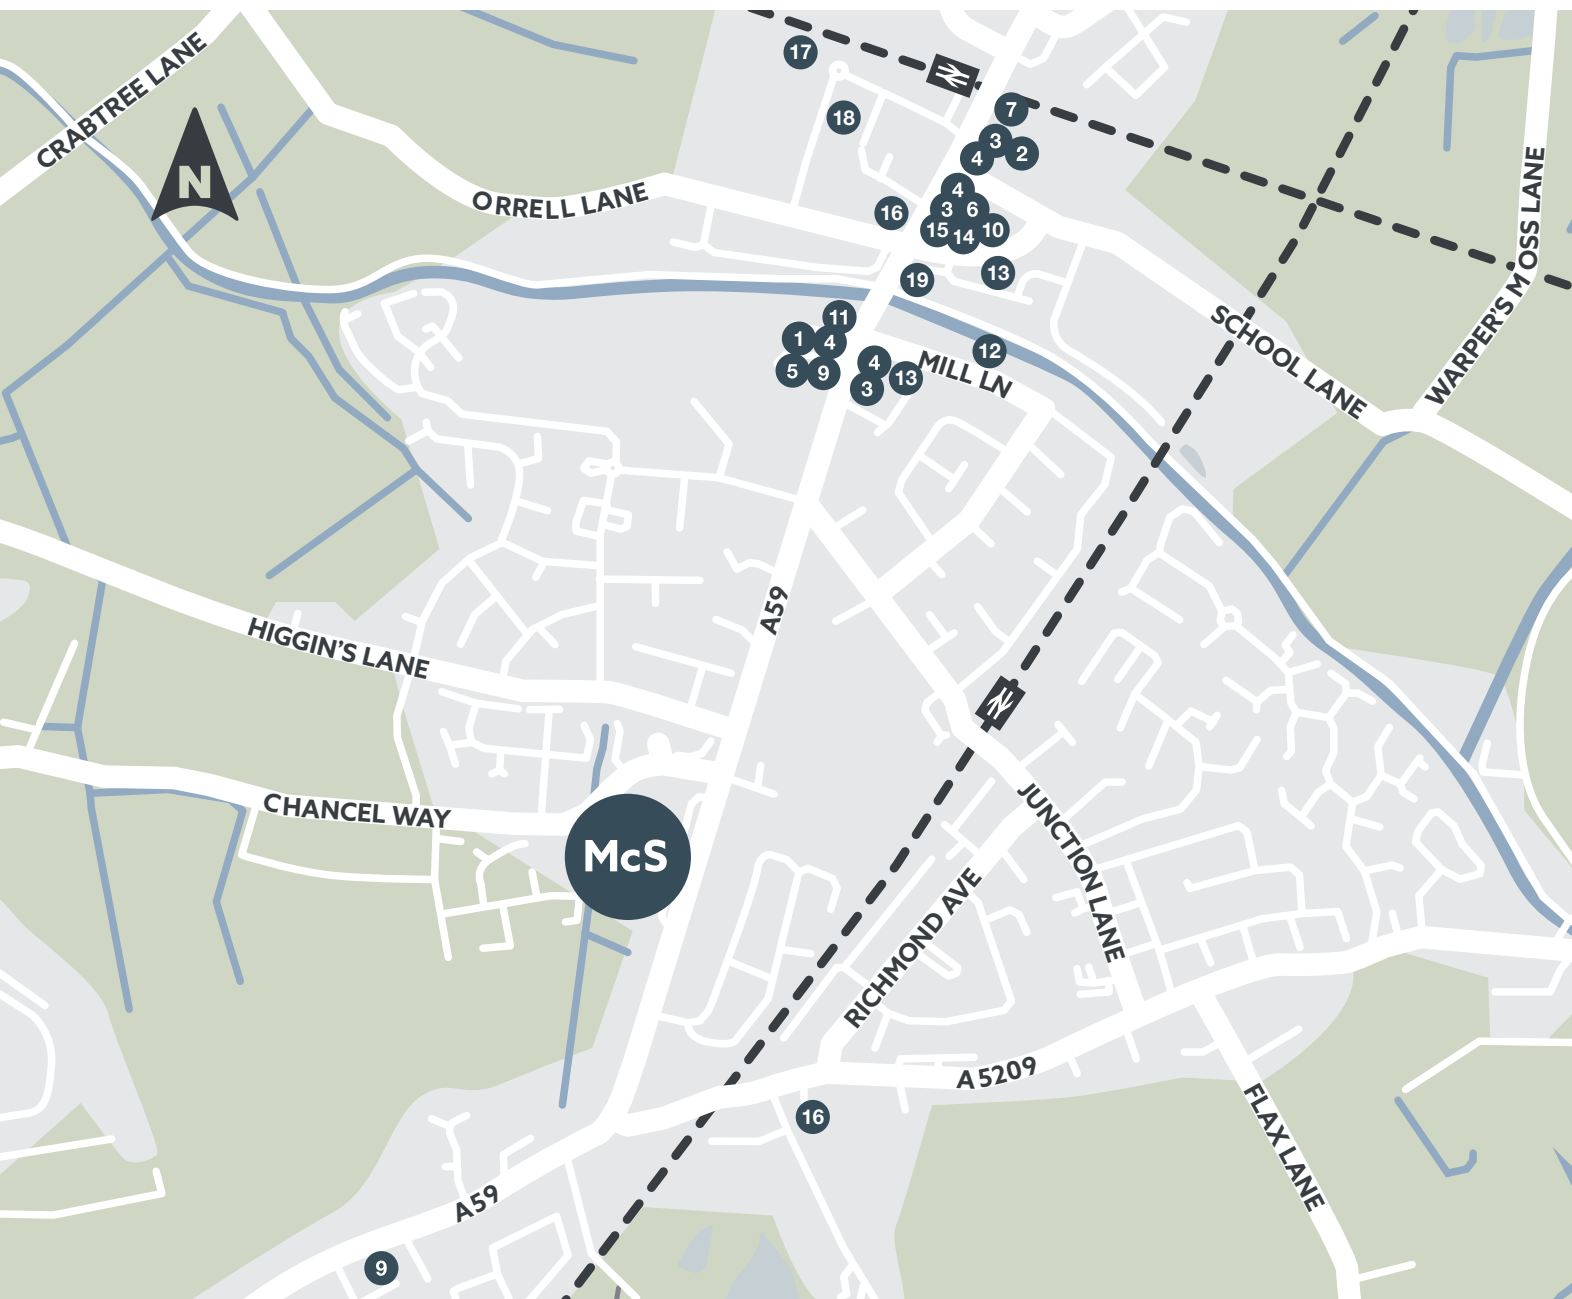

We manage the maintenance of the exterior of the property, upkeep of the communal areas and arduous tasks that keep the shared garden looking lovely.

An annual service charge (paid monthly) covers the provision and maintenance of the emergency call system, lifts, intruder alarm and door camera entry. It also covers the gardening along with the general upkeep of the exterior of the development and all communal areas.

Earls Grange is conveniently located in a welcoming residential community, just a short drive from the small but thriving town centre. A popular mix of high street shops and independent outlets can be found throughout the town with Ringtail Retail Park offering further shopping as well as being home to two of the town's three supermarkets.

Burscough offers an impressive range of places to eat and drink, with the redeveloped Burscough Wharf providing several eateries and other leisure facilities in attractive canal-side buildings.

Live life your way

As you explore, you will discover many great scenic spots and delightful walks. From delightful flat towpath walks, nature reserves and lakeside pathways, to woodland and hillside rambles.

Constructed in the late 18th century, the Leeds to Liverpool canal provides an historical centre piece as it curves its way through the town, providing lovely flat towpath walks lined with barges and canal boats.

Burscough has excellent transport links and is close to the A59 which provides easy access to both Liverpool and Preston. The town also boasts two railway stations with direct links to Manchester, Liverpool and Preston as well as coastal areas.

You'll be well looked after in Burscough

Designed with the over 60s in mind, Earls Grange is built to high standards and is an ideal place to live life your way.

Designed

with you in mind

As you approach Earls Grange, you'll immediately appreciate it's thoughtful design. A combination of red brickwork, white render and grey pitched roofing provides a clean and stylish finish to the development while complementing the surrounding areas.

Inside, the reception area offers a warm welcome to homeowners, friends and family alike. Walk on a little further and you'll soon discover the communal lounge - the social heart of the development. From catching up over a morning coffee to a lively social evening filled with fun and laughter, this light and airy space is where our community can spend time together. But if you just want to relax with a good book or newspaper, there are lots of quiet spaces too.

Exit the lounge via large patio doors to walk out on to a paved terrace with plenty of seating and an eye catching pergola offering shade for sunny days.

The gardens have been created to be enjoyed throughout the seasons. Each plant, shrub and tree has been carefully selected for their vibrant colours and hues. What's more, you don't need to lift a trowel or wrestle with a lawnmower to keep the garden immaculate. We look after all the outside spaces for you. However, there is a potting shed and raised planters for anyone wanting to cultivate and grow their own plants and vegetables.

The service charge explained

To keep our developments running smoothly and to provide the facilities and support, a service charge is payable. If you have not paid a service charge before you may have questions about how this works.

When you consider the services available at Earls Grange and then compare these with the facilities and running costs of your current property, we believe you will find it represents good value for money. The service charge is calculated annually and paid in monthly instalments.

It's important to note that we do not make a penny from the service charge. The costs incurred to run our developments and support our customers are all re-charged with no mark-up or other fees added by us. This includes our management fee, which covers our back-office support teams. Any future change to this position will be clearly communicated.

Services covered include providing and maintaining:

- ▶ Access to on-site staff (hours may vary)
- The 24-hour emergency-call and intruder-alarm system
- The door-entry camera, linked to your TV
- Grounds maintenance and general gardening work
- Building repairs and general maintenance costs

- Buildings insurance
- Window cleaning (outside only)
- Water and sewerage costs
- Heating, lighting and cleaning of all shared areas
- Management Fee

More information on this can be found in the service charge section on Earls Grange's web page.

Contingency Fund

Where larger repairs and asset replacement (such as lifts or the roof) are needed, alongside regular renovations; these costs are covered by a Contingency Fund – this is created through a fee that's included in the service charge.

As well as the regular payments as part of the service charge, the contingency fund is further 'topped-up' through contributions paid when the apartment is either sold to a new owner or let out to a new tenant. The percentage payable is set out in your lease.

We keep this cost at an appropriate level to maintain the development for everyone's benefit.

When you're ready to find out more, we will happily explain these charges in more detail.
