## The Property

This lovely home is originally understood to have been built as the Game Keeper's Cottage for the Arundell Arms, a prestigious nearby Hotel. Currently lending itself as a two bedroom house and adjoining 1 bedroom annexe, the property could equally be utilised as a four bedroom home. There are large, well kept gardens to the rear with separate access. The far end of the garden has historically had planning permission for a two bedroom detached bungalow, but this has now lapsed. The house and annexe are well presented and although possibly in need of slight modernisation, offer a lovely home situated in the heart of the popular village.

## Location

Lifton sits on the Devon/Cornwall border and is highly popular due to its location with easy access to the A30 corridor. The north and south coasts are both easily accessible from here, as are Dartmoor and Bodmin Moor. The nearby towns of Launceston, Okehampton and Tavistock are all easily accessible by car.
