The Property

Situated at the end of a quiet cul-de-sac, this extended link detached house provides flexible light and bright accommodation throughout. With plenty of space to hang coats in the porch, you are welcomed into the inner hall where there is the all-important downstairs WC and a separate study which could equally be used as a treatment room or fifth bedroom. The spacious living room at the front of the house flows naturally into the dining room with plenty of room for a family to enjoy and through into the bright conservatory that opens onto the rear garden. The modern fitted kitchen is adjacent to the dining room and has a useful utility room at the rear with access to the rear garden. Upstairs are four bedrooms all serviced by a modern shower room. The second bedroom also has an en-suite shower room.

Outside

At the front, the pathway leads to the front door, with a lawn to the right with a hedge boundary and a driveway on the left. At the rear, from the conservatory a step leads to a large, paved patio seating area and onto a small lawn with planted borders and a fence boundary.
