The Property

This pair of cottages has been in the same family for decades, and it is now time for new owners to put their stamp on them. The property is clean and appears to be in sound condition, but has not been updated in some time and therefore would benefit from a full renovation. There's so much potential here - with 2,600 sq ft of floor space, bright spacious rooms and a wonderful rear garden of approximately 1/4 acre, the property presents a superb opportunity to combine into one large family home. The properties comprise a total of 5 reception rooms, 6 bedrooms, 2 kitchens, 3 / 4 bathrooms and a WC, 2 utility spaces and a lovely rear garden with vegetable patch, greenhouse, 2 sheds, lawns and fence, hedge and tree borders. There is also a loft on the lefthand elevation that lends itself to extension / conversion subject to consents. There is offroad parking to the front, and there is also potential to remove the existing carport and replace it with a drive that could allow additional parking to the rear.

Location

The property is ideally located for easy access to the village square and its highly regarded public house with integrated village shop. Primary schooling is available nearby in the villages of Highampton and Black Torrington, where there is also a doctors surgery. The small town of Hatherleigh has a popular (cont)
