## The Property

You'll have room to spread out in this impressive 1728 sq. ft home that has been well maintained by the current owners over the last 20 years. The front door opens into an entrance hall providing access to the two primary reception rooms, both of which are generously sized and have period fireplaces with slate hearths. From the sitting room double doors open out to the private walled garden with level lawn and gravelled patio area, a beautiful spot for a cup of tea or glass of wine! Beyond the sitting room is a useful downstairs shower room and generously sized kitchen / diner perfect for preparing those family dinners. Stairs from the entrance hall rise to a spacious landing with space for home working, beyond which there are three double bedrooms. Two of the bedrooms are dual aspect with the primary bedroom having an ensuite shower room. The large family bathroom complete with a clawfoot bath, was previously a double bedroom, and the property could easily be reconfigured to reinstate this bedroom and the original bathroom, resulting in a 4 bedroom house. The property has two stores to the front with power and light connected. To the rear is a paved & gravelled patio area plus off road parking and a further impressive 23' covered store.
