The Property

This site has approval in place to build a large 4 bedroom bungalow, and once completed this property will be one of the most impressive bungalows in the area. With countryside views a plot in the region of 0.6 acre and accommodation space of nearly 2,200 square feet, this is an outstanding opportunity. This property is ideal for those seeking the potential for a luxurious edge of village / semi-rural property set on a single level that does not compromise on accommodation space. The plans call for four double bedrooms, all with en suites, an office, spacious living room, WC and the showpiece kitchen / diner / family room with pantry and separate utility. We envision this property being finished to a high specification and to command superb resale value when complete.

Location

The property is located at the edge of the village of Petrockstowe, which was first mentioned in the Domesday Book of 1086. The village has a strong community centred around the village hall and Community Church. For outdoor enthusiasts, the 180 mile Tarka Trail and Meeth Quarry Nature Reserve are on the doorstep. There is primary schooling available in the nearby village of Merton (2 mi) and town of Hatherleigh (cont)

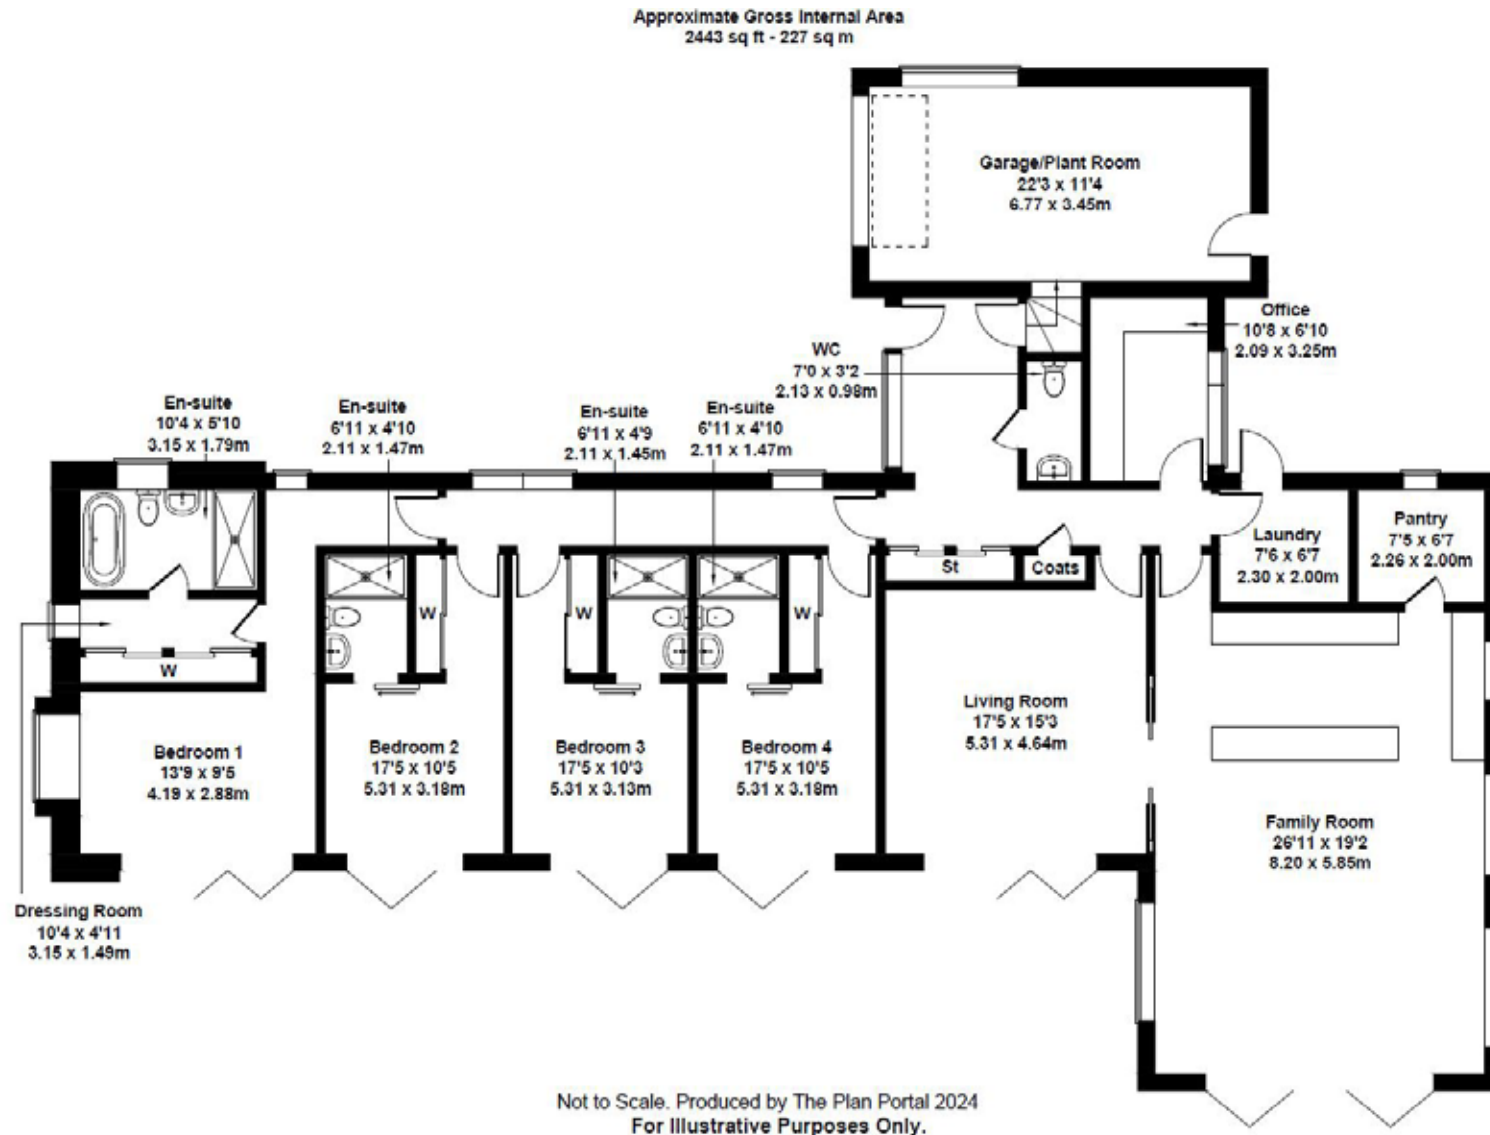

Agents Note: See Torridge District Planning reference numbers I/0946/2020/OUT and I/1161/2022/REM for additional details on the approved building plot. All dimensions are pre-build estimates based on architect's drawings. Some images are CGI's. There will be an overage applied for any dwelling beyond the first unit currently approved.
