There's a lot to love about living in Coleham

Coleham has a village-like atmosphere, a vibrant high street and a welcoming local community.

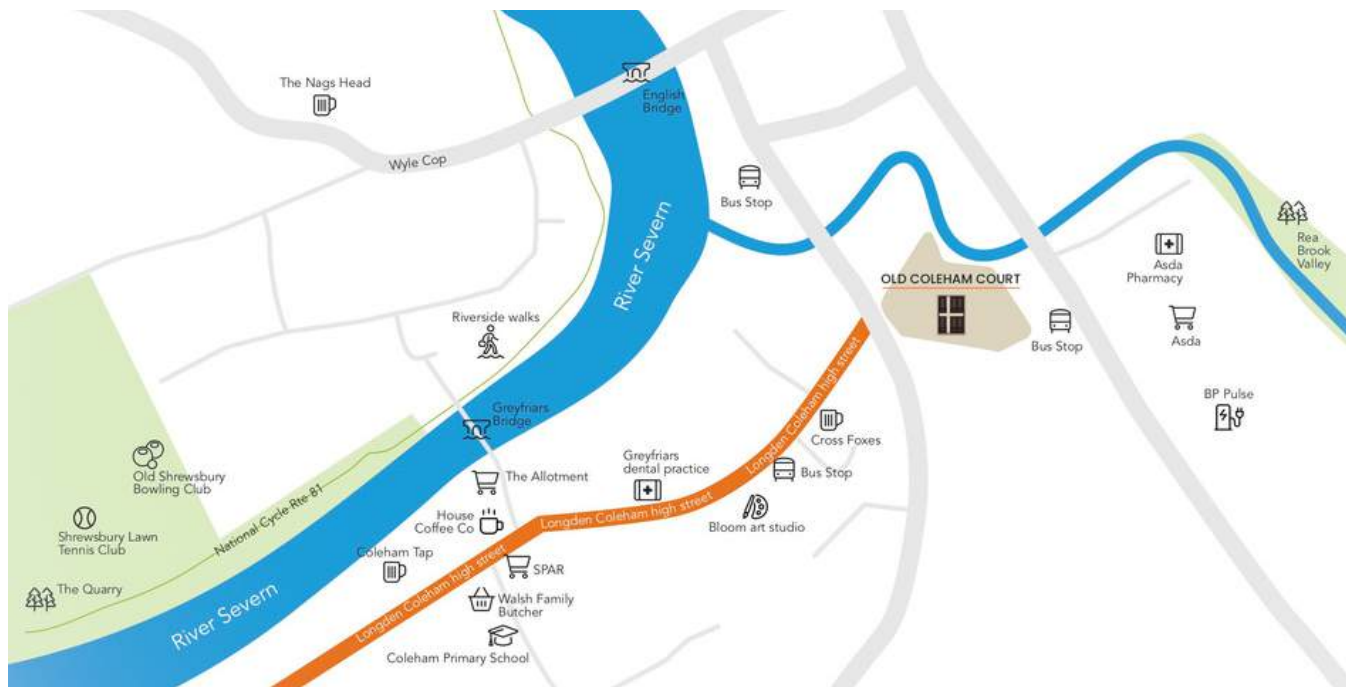

Along Coleham Longden, enjoy independent shops, cafes and pubs, hair dressers and services, plus many arts and sports clubs.

Old Coleham Court is situated at the end of Longden Coleham, close to The Abbey and The English Bridge, and a short stroll to the Rea Brook Valley Nature Reserve.

Stroll across the pedestrian Greyfriars Bridge into The Quarry and Shrewsbury town centre.

Penthouse and Duplex homes of the highest specification with unrivalled views

Luxurious interior design, spacious open-plan living and a private terrace ensure the penthouses at Old Coleham Court are the envy of Shrewsbury. Those perfect views are framed with floor-to-ceiling windows and glass balustrades.

Duplex penthouses feature glass cantilevered staircases.

A bespoke kitchen featuring a show-stopping centre island has been designed to the highest specifications. Integrated appliances include a Quooker tap, Neff coffee machine, double oven and warming draw, wine cooler, and fridge/freezer. A separate utility room conceals the washing machine and tumble dryer.

Bathrooms and en-suites are fitted with Porcelanosa tiling and sanitary ware, and have underfloor heating.

Solar panels are installed on the roof to provide an environmentally-friendly, additional source of hot water.

All specifications are subject to change. Please speak to the Sales Manager for exact specifications for each property.

The courtyard

At the heart of Old Coleham Court lies the residents' courtyard, a peaceful and stylish open-air sanctuary.

Located on Floor 1, the courtyard provides all-important outside space where residents can meet and relax.

Four of the First Floor apartments have direct access into the courtyard.

Contemporary *Porcelanosa* tiling and original bench seating combine with ancient olive trees and shrubs in a warm Mediterranean design.

In the evening, subtle lighting creates private, zoned areas.

Used in many European cities, the courtyard design brings in light and fresh air.

The courtyard measures over 360 sqm and has two step-free entrances.

An acoustic engineer consulted on Old Coleham Court as part of the architectural process. Sound absorption has been considered throughout the building with deep insulation in the walls.

Beautifully bespoke Scandinavian windows from *Rational* improve the sound and heat insulation. Double glazed and highly energy-efficient, they act as the catalyst to a totally comfortable and content environment.

An EPC rating of B is expected for every property.
