# 10 reasons to buy a new home.

A family of four (a man, a woman, and two children) are sitting on a light-colored sofa in a bright, modern living room. A large, fluffy brown dog is sitting on the sofa with them. The room has large windows in the background, letting in natural light.

## 01. Cheaper bills.

Because new homes are designed with efficiency in mind – cost-effective heating systems, advanced insulation, double-glazed windows and doors – you'll start saving money on your energy bills from the moment you move in.

## 02. Moving schemes.

Think you can't afford to move home? Think again. From Part Exchange and Own New Rate Reducer to Armed Forces and Key Worker Discounts, there's a host of offers and incentives that make buying a brand new home a little bit easier.

A close-up shot of a plush red armchair with a white and brown patterned cushion. In the background, there's a white radiator and a window with sheer curtains, letting in bright light.

## 06. Peace of mind.

Your Charles Church home is backed by a 10-year new homes warranty, plus two-year Charles Church defects warranty. Should you need to make a claim, our Customer Care Team will be on hand to help.

A close-up of a woman with blonde hair, wearing a blue sweater, looking down with a thoughtful expression. The background is blurred.

## 07. Designed for modern living.

Considered, flexible room design and spaces that can be adapted for life how you choose to live it, now and in the future.

03.

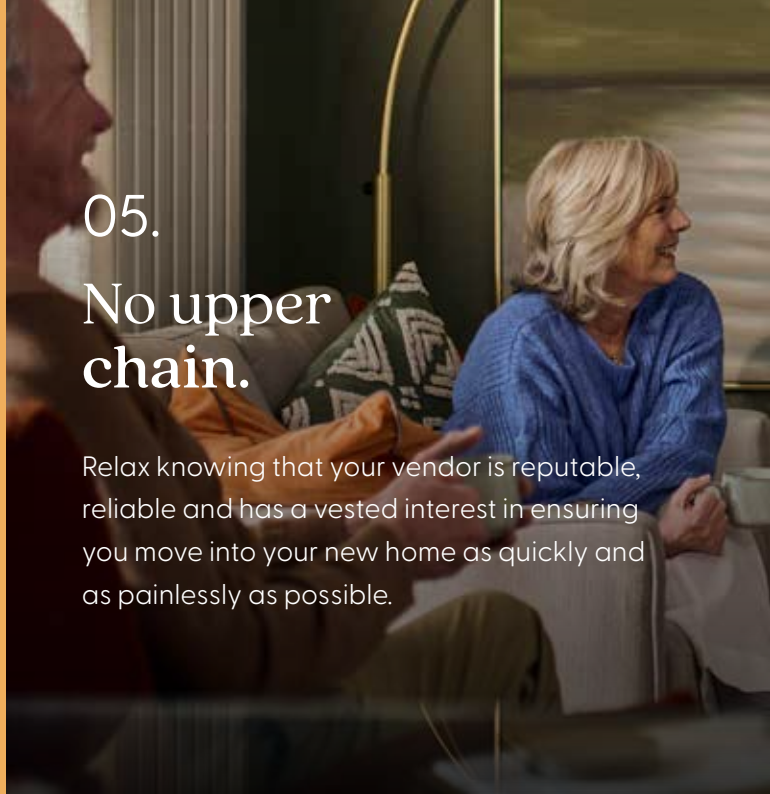

## More freedom to do what you love.

Spend less time and money on home maintenance and repairs and more on the things that bring you joy: going for walks, entertaining family and friends, going on holiday, or simply finding a cosy corner to sit and read a book.

04.

## Everything is new.

New kitchen. New bathroom. New heating system. New paint. A brand new home means you can walk straight in and start living, secure in the knowledge that your property has been built and finished to the latest quality and efficiency standards.

05.

## No upper chain.

Relax knowing that your vendor is reputable, reliable and has a vested interest in ensuring you move into your new home as quickly and as painlessly as possible.

08.

## High spec as standard.

You'll feel the quality as soon as you walk through the front door. From the Silestone worktops and German appliances in the kitchen, to the chrome towel radiators in the bathroom and chrome sockets and light switches throughout. Everywhere you look and touch will feel just right.

09.

## A fresh start.

Forget stripping someone else's wallpaper, cleaning cupboards and painting skirting boards, a new home is clean and fresh, ready for you to move into and start living straightaway.

10.

## Safe and secure.

Sleep well from day one, sound in the knowledge that you're protected by a burglar alarm, lockable windows, smoke detectors, fire retardant materials and security lighting.
