The Property

Greenholme Steading is a unique and thoughtfully designed development of barn conversions, situated in the serene surroundings of the Eden Valley. Each home within this exclusive development combines the traditional character of the original brick structures with modern design, retaining and incorporating unique character features.

Whether you're looking for a family home, a luxury holiday let, or a sound investment opportunity, these properties are ideal. The development's blend of style, quality, and location makes it a versatile and appealing choice for a wide range of buyers.

As these exclusive conversions are nearing completion, prospective buyers are afforded the rare opportunity to personalise their interiors. With a range of high-specification options for fully fitted kitchens, bathrooms, and bespoke fittings, buyers can shape a home that reflects their individual tastes, ensuring each property is truly bespoke. Additionally, there is flexibility in the layout and futureproofing of the homes, allowing for custom configurations to meet changing needs – though this may incur additional costs depending on the scale of the change.

Number 15

Number 15 occupies a spacious corner plot within the Greenholme Steading Development. The property features a bright and airy layout, with an expansive open-plan kitchen, dining, and living area. The ground floor also includes an office, a lounge, a WC, and a cloakroom for added convenience. Upstairs, there is a generously sized principal bedroom with an en-suite, along with three further bedrooms, all serviced by a modern family bathroom.

Externally

Each property benefits from both private front and rear gardens, offering both seclusion and the chance to enjoy the surrounding countryside views. A communal rear courtyard enhances the sense of space. The homes come with allocated private parking and a large separate garage, equipped with water and electricity for added convenience.
