The Property

Raven House is a spectacular conversion of a former Dutch barn offering a striking modern home surrounded by glorious countryside and close to the Lake District National Park. This sleek and modern home, created by local craftsmen under the supervision of award-winning architects, features stunning design and an outstanding specification. The result is hugely attractive as well as remarkably energy efficient and eco-friendly. This has been achieved through high standards and close attention to detail at every stage of construction, including impressive levels of insulation, VELFAC triple glazing throughout and the latest generation of solar panels with intelligent controls.

The generous covered parking area provides comfortable access to the magnificent open plan sitting, dining and kitchen space. The atmosphere is bright and airy with clean lines and a truly contemporary finish. The kitchen area features sleek white fitted cabinets, providing a huge amount of storage, with complementary Silestone quartz surfaces and integrated sink. The superb range of Bosch appliances includes an induction hob, twin ovens, dishwasher and twin fridge freezers. The porcelain tiled flooring flows throughout the rest of this wonderful space to the well-defined sitting and dining areas. Fabulous sliding doors open to the patio creating the perfect indoor/outdoor living space. Off the kitchen is a useful utility room with storage, sink and space for a washing machine and dryer. The utility also houses the OSO 250-litre hot water cylinder.

The ground floor offers flexible further accommodation. A double bedroom, complete with a fitted wardrobe, is served by a beautifully appointed shower room with luxurious underfloor heating. Another room, currently configured as an elegant snug with a hideaway office area, could easily be converted into a fourth bedroom with the addition of a walk-in wardrobe. This room also has external access and is a great spot to work from home, with the added benefit of the ultrafast broadband available.

The fantastic styling and specification continue to the first floor where there are two additional lovely bedrooms, each with a fitted wardrobe, and a family bathroom. All of these rooms have high curved vaulted ceilings reflecting the shape of the original Dutch barn, and all are spacious and light. The principal bedroom has fabulous views over to Caldbeck whilst the other looks to Saddleback in the distance.

Externally

Raven House is approached via a tarmacadam driveway into the covered parking and entrance area, which includes light, power and preparation for an electrical vehicle charging point and electric gates. Automatic dusk-til-dawn lighting illuminates the property. The enclosed gardens sit to the rear of the property and have been thoughtfully designed to offer ease of maintenance. An attractive patio area paved in Italian porcelain stretches across the rear of the house with space for al fresco dining and entertaining. Steps lead up to the lawn which is surrounded by a mixture of hedging and fencing. Colourful plantings and shrubs dot the borders and boundaries.
