YORKSHIRE WARMTH

South Otterington's idyllic rural setting is enhanced by being only six miles from Northallerton. Northallerton, which describes itself as the 'Heart of Yorkshire', has a wealth of amenities with a thriving selection of independent shops (including the renowned deli and food hall, Lewis & Cooper) as well as twice-weekly markets that attract shoppers from far and wide. Its pubs, cafes and restaurants provide congenial meeting places, and its leisure centre provides a range of activities for all the family. To the south, Thirsk, viewed as the gateway to the North Yorkshire Moors, was the home of author, Alf White, better known as his fictional alter ego, James Herriot. It also boasts a famous racecourse, dating back to Queen Victoria's reign, which hosts around 14 flat races a year.

LIVE LIFE TO THE FULL

There are plenty of activities to entertain the whole family from adventure playgrounds to farm parks, and stately homes and arboretums to falconry. Step back in time with the Wensleydale Railway where you can 'enjoy a living museum experience' and which puts on events throughout the year including the popular Polar Express, sure to delight children of all ages. Have a fun day out at the annual North Yorkshire County Show at Otterington Hall or enjoy the line up at the Deer Shed Festival with its mix of music, comedy and so much more. And further afield, magnificent, medieval York is within easy reach or, alternatively, grab your bucket and spade and head for the golden beaches of Scarborough.

THIS IS HERRIOT COUNTRY

South Otterington sits between two national parks: the North Yorkshire Moors and the Yorkshire Dales, iconic landscapes brought vividly to life by James Herriot's tales of the life of a country vet so memorably televised. Discover the rich archaeological, historical, and industrial heritage of the Dales and the North York Moors by exploring on foot, by bike and by car; immerse yourself in the wonders of the universe by stargazing at the Dark Sky Festival; or investigate an extraordinary network of limestone caves, including the famous Gaping Gill, carved over millennia. Take time to stroll among the ruins of Europe's most impressive medieval abbeys; experience the thrill of mountain biking in the Dalby Forest; and savour the delights of the Chocolate Factory in Thornton le Dale.

HOW TO PURCHASE

Buying a new Lovell home couldn't be easier. Follow our guide and you'll be home in no time!

Secure your new home with a reservation fee which goes towards the total purchase price. It's then reserved in your name while the legal processes are completed.

KEEPING THINGS MOVING

Pass our Sales Executive your solicitor's details so that we can send on the contract documents. Arrange your mortgage if you need one. You can do this yourself or we can put you in touch with an Independent Mortgage Advisor to help.

EXCHANGING CONTRACTS

Once you've had your formal mortgage offer, your solicitor will inform you when it's time to exchange contracts. You will now pay your deposit, which will be sent to us with your signed contract.

NEARLY THERE

Under the terms of the contract we need to allow time for financial completion. Once this has happened, we will ask your solicitor to request funds and pay the balance of the purchase price. The deeds are transferred into your name and you now own your new Lovell home!

MOVING IN

We will arrange for your meters to be read on the day of legal completion. Our Sales Executive will hand you the keys and a handover certificate.
