ALL YOU NEED *nearby.*

A WIDE RANGE OF AMENITIES,
THINGS TO DO AND OPEN
GREEN SPACES - WITH EVEN
MORE PLANNED FOR THE FUTURE.

Packed with international food stores and clothing shops, the nearby Broadway is alive with activity. When it comes to eating out, there are also a number of independent restaurants serving delicious cuisines from all around the world.

Need to pick up essentials, or do some life admin? You have a Superdrug, a post office and several banks all a few minutes' walk away.

Or, you can take the bus to Lombardy Retail Park for high street names including Next, H&M and Costa Coffee in just 12 minutes.

There's always plenty to do here. Get active on a Saturday morning parkrun, join the local cycling club or gather your family and friends for a picnic in Southall Park.

Southall already offers so much. But when you add the regeneration plans for the area - from the town centre to developments along the Grand Union Canal - the future looks even brighter and more exciting.

DISCOVER WHAT ELSE *is within reach.*

IT'S EASY TO KEEP EVERYONE ENTERTAINED WHEN YOU LIVE AT SOUTHALL GROVE.

There's even more to do if you travel slightly further. It's just 13 minutes' walk to Southall Station and after just two stops on the Elizabeth line, you're at Ealing Broadway or West Ealing. BRAND NEW 1, 2 & 3 BEDROOM
APARTMENTS, BORDERING
SOUTHALL PARK.

BUILT FOR THE FUTURE *and how you live.*

NEW HOMES THAT ARE THOUGHTFULLY DESIGNED IN SO MANY WAYS.

To ensure our development blends with the immediate area, we have used a selection of complimentary brick colours. For a modern touch, feature metal panels accentuate and divide large expanses of brickwork, while perforated metal panels enclose each balcony to provide privacy and security.

There's also a private roof terrace that provides the ideal space to relax with family or chat to your neighbours, adding to the strong sense of community found in the area.

The apartments are well considered, with a variety of layouts and open-plan arrangements to choose from.

Some homes have separate kitchens too, while all have private outside balconies or terraces, and energy-efficient initiatives to help reduce your energy bills.

NIROOJAN AND JATHURSHIKA, BRENTWOOD ACRES.

"The new build design and layout is great as it gives us scope to style and design the interior how we like, without any pre-existing wear and tear – it’s essentially a blank canvas!"

DR SINGH, NEWHAYES.

"The team at Fairview made the process so simple and I couldn’t be happier with this purchase. Will strongly recommend Fairview to anyone without any hesitation – a company with excellent organisational culture and high building standards."

JAN, KINGSTON EAST.

"We are so happy that we went in to speak with the Sales Team and view the show apartment. We’re now able to stay in the area we love and are familiar with, but what’s even better is that we now have a place to call our own and put our stamp on."

DAVINA AND HAMZA, EPPING GATE.

"The staff at Fairview were incredible. The whole process was a lot quicker and simpler than we initially anticipated. All of our questions and concerns were dealt with promptly, and there was a real human touch to everything they did."

JACK & GEMMA, DOCK28.

"We were really surprised by how easy it was for us to buy a home together. Fairview were very transparent and guided us through the process. We’d absolutely recommend buying as friends. We realise that for some it can be off-putting as there’s a societal expectation that when you buy a house, it has to be done with a significant other, but we decided to do it together as it made sense for us at the time."

LESLEY, REGENCY HEIGHTS.

"The actual apartment itself is just what I was looking for. The apartment is so spacious, the build quality is excellent and the view from the balcony is also amazing. I wanted to buy a new build home as I love the look and feel of new builds; it also means that I do not need to spend any extra time and money on fixing or repairing an older house."
