10 The Manor House, Stane Street, Billingshurst, West Sussex RH14 9GN

Designed by renowned architect John Norton and built in 1880 on a site which dates back to the 13th century, Summers Place was formerly a Country House which subsequently became a Convent and was, more recently, Sotheby Auction House's HQ. Restored by Berkeley Homes in 2008, this magnificent Grade II Listed building is approached through a tree lined avenue and is surrounded by a 13 acre communal grounds and the West façade reacts beautifully to the sunset. No. 10 has been cleverly formed from principal bedrooms of the original Manor House and features the hallmark quality upon which Berkeley have built their reputation. Quality finishes abound and include a bespoke Alno fully integrated kitchen, luxurious Villeroy & Boch sanitaryware and Hansgrohe AXOR fittings along with an energy conscious pressurised hot water system and gas heating (metered L.P.G.).

LOCATION: Summers Place is located about one mile from the thriving village of Billingshurst. Close to both the South Downs and the coast, but also just 25 minutes from the M23 which provides fast access to London, the motorway network, London Gatwick and London Heathrow airports. The railway station at Billingshurst offers connections to London Victoria/London Bridge the journey into the city taking about 75 minutes. The village has excellent shopping facilities which have been boosted by the arrival of Lidl, Morrisons and an array of other outlets, along with restaurants, pubs, Churches with leisure and sporting facilities. There are excellent state and private schools in the vicinity.
