Les Saisies - Bisanne 1500

Chalets Myrna  
Bisanne 1500

## ESPACE DIAMANT

# A thousand aspects of the mountains

Would you like to immerse yourself in the great outdoors, with the bonus of breath-taking scenery and an incredible range of sporting, leisure and discovery activities as a reward? **By choosing the Espace Diamant as a holiday destination, you are ideally placed between the Beaufortain Massif and the Val d'Arly, with the roof of Europe as a backdrop.**

All that you need to open the finest outlooks!

Enjoying **in winter** the 192 km of linked pistes in an exceptional Nordic skiing area.

**In summer**, making ever more wonderful outings on foot, mountain bike, on the water or in the air. With, whatever the season and whatever slope you are on, authentic villages and typical hamlets which share the pleasure of welcoming you.

## BISANNE 1500

# The most precious setting

Just 6 km from les Saisies and directly connected to the Espace Diamant, perched at an altitude of 1500 m on the lower slopes of Mont Bisanne from which it takes its name, **Bisanne 1500**, a true haven of peace, has everything for your pleasure.

**Its due South orientation!** Its absolute peace! Its rare and authentic charm! Its view over the Beaufortain and Mont Blanc, splendid! Its 100% local gastronomy! And everything we have forgotten to tell you, the better to let you find out when you get here.

RESORT OF LES SAISIES: 293 HA OF VIBRANT SPACE TO BE SNAPPED UP!

Exceptional Nordic skiing area and mountain bike resort *par excellence*, the resort of les Saisies means a stock of a thousand and one fabulous outings served on a platter: la Palette!

## CHALETS MYRNA A rare pearl

Imagine a residential complex comprising **3 chalets**, facing **South East** and offering a **panoramic view over a valley of a thousand images**. Ideally situated at an altitude of 1500 m, **with ski-in-ski-out facilities**.

Built in traditional mountain architectural style but with every comfort. Combining spacious interiors and generous volumes, classic materials and stylish authentic décor, bathed in the richness and sweetness of life.

If you are here, welcome to the Chalets Myrna. The new 100% authentic residential complex from MGM. **A real rare pearl which will appeal to all who love a preserved art of living.**

## HAND-CARVED COMFORT

OVER TO THE ATELIER  
PLEXUS

From the architectural design to the choice of materials, from the foundations to the finish, everything has been designed so that these three chalets blend naturally into the landscape. The idea: to recreate a real little Alpine pastureland hamlet, both struck with authenticity and striking for the level of comfort achieved through carefully chosen materials and finely carved ambiances.

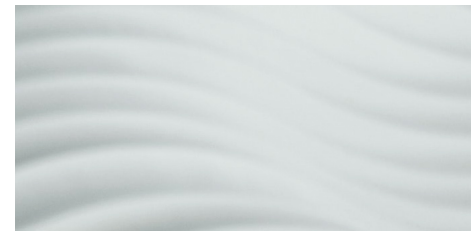

— A WORD FROM THE ARCHITECT

Chalets Myrna  
Bisanne 1500

STAMPED WITH  
wellness

The ambiance is rare. Built of stone and timber for a comfort which has stood the test of time. Timber and light to warm the atmosphere. Blending style and authenticity, the classic and refinement. With just enough fashion to make the place timeless.

## FEATURES

## MGM

# Expert builder

Among the good reasons **for choosing a residential complex in the mountains built by MGM, specialists in mountain property for more than 50 years**, are its knowledge of the terrain and technical expertise, its perfection of tone and sophistication of style, its sense of true values and cultivated taste for excellence. Everything to ensure that not only do you become the owner of a *piéd à terre* in the mountains, but that **you are the lucky purchaser of a prestigious collector's item bearing the brand of an expert**. And that makes all the difference.
