NO ONWARD CHAIN - Take a few moments to witness everything in this fantastic property by watching our HD video tour...you will not be disappointed!

Here at Chris Hamriding we are pleased to bring to the market this fantastic three bedroom townhouse, constructed by Barratt Homes to their 'Stamford' Design on the increasingly popular 'J One Seven' development. The development is handily placed for Sandbach town centre along with its highly regarded schooling, transport links and day-to-day amenities.

The property still has a few years of NHBC warranty remaining and has been maintained to exceptionally high standards by the current owners, still in show home condition! Offering well-planned, deceptive accommodation arranged over three floors.

Many notable features accompany the property including energy efficient gas central heating (recently serviced boiler circa July '24) and double glazing, engineered oak style flooring to the majority of the ground floor, a downstairs cloakroom, a contemporary style fitted kitchen incorporating a number of integrated appliances, a deep built-in under stair storage cupboard off the lounge area, a walk-in bay with French doors to the rear garden from the lounge area and built-in wardrobes to two of the three bedrooms. The principal suite on the top floor is spectacular with plenty of amenity space, built-in storage cupboards in addition to the aforementioned wardrobes in the dressing area and stunning en-suite shower facilities.
