Spring Farm

Wignalls Chartered Surveyors are pleased to present an excellent opportunity to acquire a former farm which is currently used for equestrian purposes which benefits from development potential on the eastern fringe of Liverpool (subject to obtaining the necessary consents).

The Property comprises a dilapidated four bedroomed house, a range of barns and buildings which are being utilised for equestrian purposes and around 44 acres of land.

The holding has development potential within the traditional barns for three well placed larger dwellings and a further building plot for a four bedroomed house to go with the 9 acres found in Lot 1.

The buildings on site total approximately 1,032.78m² with the redundant house totalling around 165m² GEA.

The house and buildings are set in approximately 48.38 acres of land available as a whole or in 4 lots.

LOT 1

Lot 1 includes a dilapidated four bedroom dwelling sitting in a third of an acre with its own private access.

The detached property has great character with huge potential for a complete rebuild to create a generously sized country home.

Included in the lot is a good sized garden which is largely overgrown but has the scope to be landscaped to the owner's preferences.

The lot is conveniently located 10 miles from Liverpool city centre, accessed off Garnetts Lane.

LOT 2

Lot 2 comprises a range of traditional brick built buildings, timber stables and portal framed building along with yard area and exercise enclosure.

The barns are currently used for equestrian uses however they do have development potential subject to the necessary planning consents being obtained.

Lot 2 has loads of potential in its redevelopment value or in continuing to be run in accordance with the current equestrian and livery uses.

LOT 3

Lot 3 comprises of circa 30.92 acres pasture land which stretches to the A5300.

The land is currently used for the grazing of horses in association with the livery at the site. The land is classified as grade 2/3 as per the agricultural land classification maps and therefore may be suitable to growing a range of crops if it were to return to agricultural use.

Included in Lot 3 is a ménage which is roughly 65m x 35m in size. The ménage is used currently by the vendor and provides a good all year round exercise area for the horses on site.

LOT 4

Lot 4 comprises of circa 13.43 acres of Grade 2/3 agricultural land accessed off Garnetts Lane.

The land is relatively flat and has a pond along the southern boundary line.

The land is currently used for grazing horses but like Lot 3, the soil is high quality and therefore would be able to support a variety of crops.
