

Santa Cruz

I N F I N I T Y

Live the luxury by the sea.

Concept

Santa Cruz Infinity is an exclusive new residential development located in Santa Cruz, Torres Vedras.

This project is named for the stunning sea view that stretches to the horizon, offering a sense of infinity and tranquility.

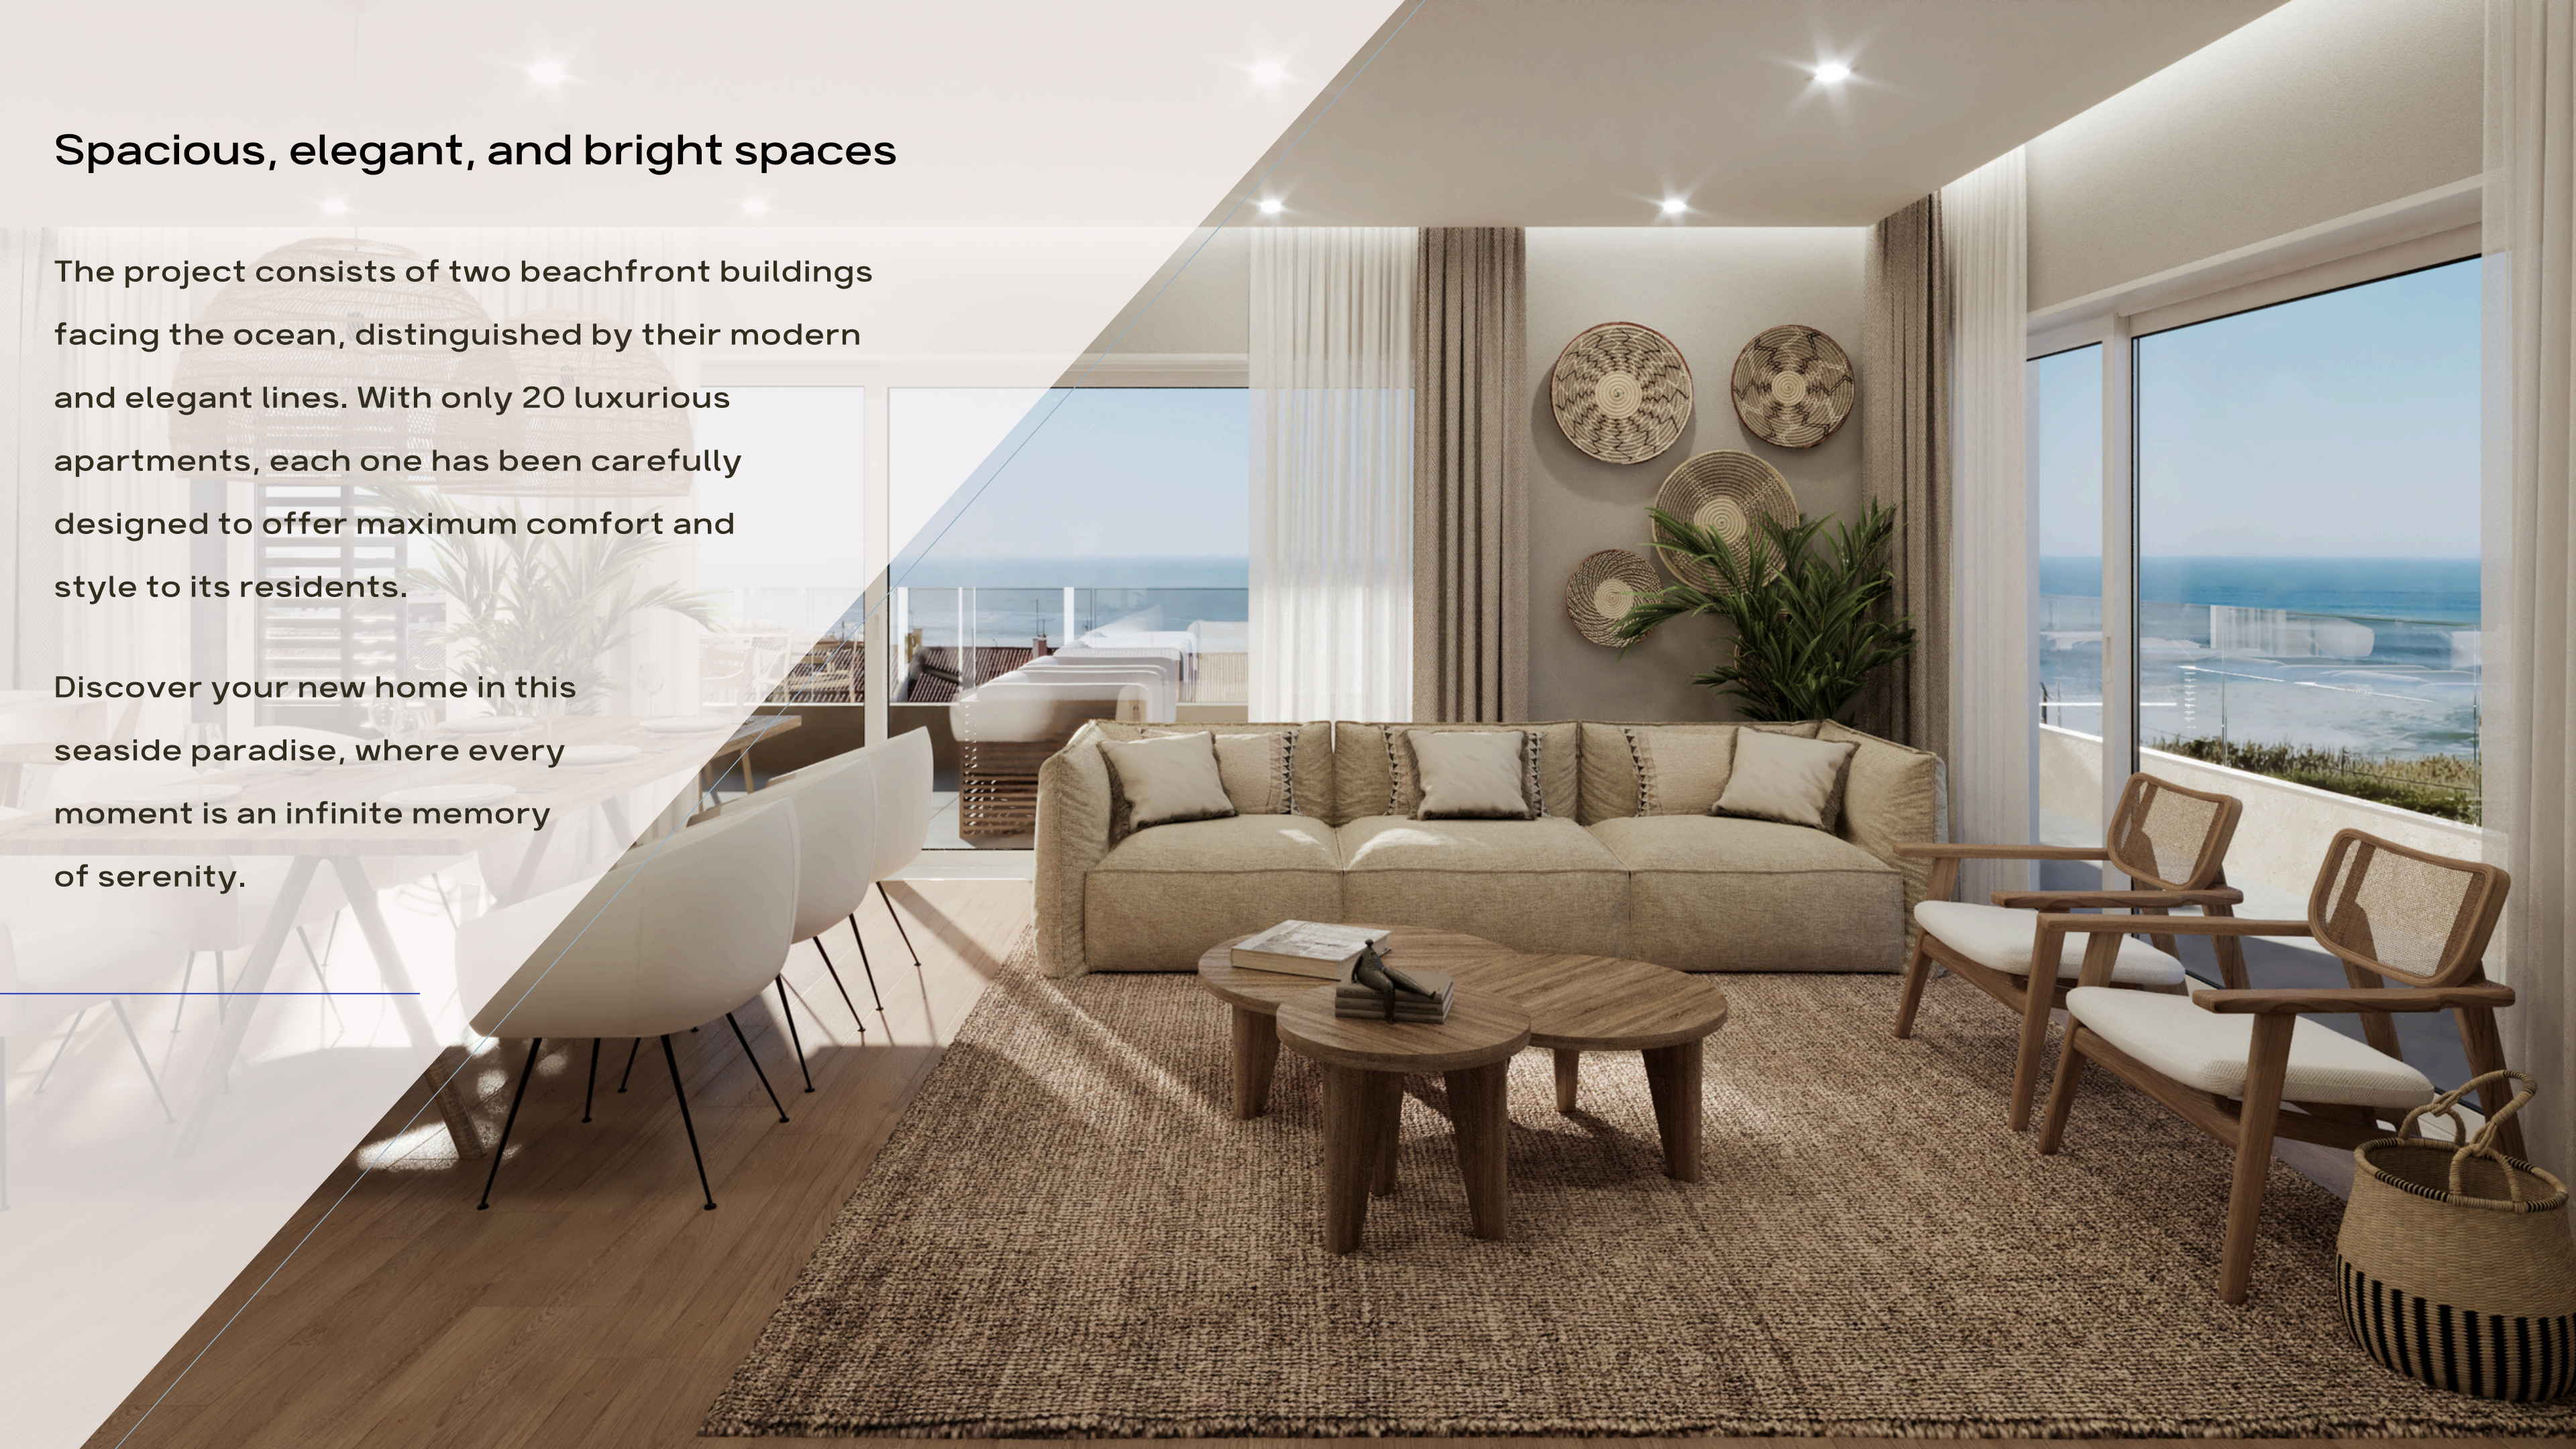

With a strategic location, this seaside development is just steps away from the breathtaking beaches and the relaxed atmosphere that characterizes this coastal region.

Expected completion date: November 2026

Spacious, elegant, and bright spaces

The project consists of two beachfront buildings facing the ocean, distinguished by their modern and elegant lines. With only 20 luxurious apartments, each one has been carefully designed to offer maximum comfort and style to its residents.

Discover your new home in this seaside paradise, where every moment is an infinite memory of serenity.
