4 Bedroom Flat - Conversion located in London

Reception Room

17'8" x 13'0"

The reception room is bright and spacious, offering a comfortable space for family gatherings and relaxation. Large windows fill the room with natural light, creating a warm and inviting atmosphere. The room's traditional layout provides flexibility for arranging furniture, making it an ideal space for both everyday living and entertaining.

Bedroom 1

11'10" x 11'8"

A generously sized room, providing plenty of space for a double bed and additional furniture such as a wardrobe or chest of drawers. This room offers a peaceful retreat, with natural light streaming through the windows, creating a welcoming and restful environment.

Kitchen

7'8" x 6'1"

The kitchen is fitted with traditional appliances and offers ample counter space for meal preparation. The layout is simple yet functional, with plenty of storage in both overhead cupboards and under-counter units. The kitchen's design allows for ease of use, providing a practical space for everyday cooking and family meals.

Bedroom 2

10'9" x 10'7"

A well-proportioned room that comfortably fits a double bed, making

it perfect for children, guests, or as a study. The room's size offers various layout options, providing both comfort and practicality.

Bedroom 3 (Second Floor)

16'5" x 14'0"

Located on the second floor, this versatile room comfortably accommodates a double bed or can be used as a home office or study. Its flexible size ensures it can be adapted to suit your needs, whether for a growing family or extra living space.

Bedroom 4 (Second Floor)

10'10" x 10'9"

A cosy room, also located on the second floor, ideal for a double bed. This room offers practicality and comfort, providing a functional space perfect for smaller households or as an additional room for guests.

Bathroom

7'8" x 4'11"

The bathroom is conveniently located and features all the essential fixtures, including a bath, shower, WC, and washbasin. Its traditional design ensures practicality, with neutral tiling and sufficient space for everyday needs.
